

Democrats Pass Mayor's New Budget With Tax Rate of \$35.12 at City Council Meeting

Truman Says Labor, Industry Have too Much Power; A. F. L. Cutters May Stay Off Jobs

All Packers Are Advised to Stand by for the Official Order to Resume Work

Disregard News

Union Looks for Fact Finders to Set a Satisfactory Wage

Chicago, Jan. 24 (AP)—The striking A. F. L. Meat Packers Union today telegraphed all its locals to "stand by for instructions from our general office."

The union, with 70,000 members on strike in the meat packing industry, yesterday had ordered its membership to resume work Saturday when the government is to seize the strikebound properties.

The telegram, signed by Earl Jimerson, president of the A. F. L. Amalgamated Meat Cutters and Butcher Workmen of America, and other international officers of the union, said "do not be misled by any news item you may hear on the radio or see in the newspapers regarding government seizure of meat packing plants and the action of the Amalgamated regarding returning to work."

Disregard News Items
"Disregard all the above (such news items) and stand by for instructions from our general office," it said. "Our organization has the pledge of high government officials that the government will put into effect any wage increase determined by the meat fact finding commission retroactive from the date of government seizure."

"Up to the present time we have not received the official seizure order; therefore, stand by for further instructions."

Reason for Order
Yesterday, Jimerson and Patrick Gorman, executive secretary-treasurer of the union, ordered their men back to work effective Saturday because, they said, they had received assurances from sources "cannot reveal that the government will apply any wage increase recommended by the fact finding board retroactively at least to the date of seizure."

Meanwhile, the C. I. O. United Packinghouse Workers planned a strategy meeting Friday to decide whether their 193,000 workers should return to their jobs Saturday.

Refuse Writ for Wolfe

Poughkeepsie, N. Y., Jan. 24 (AP)—District Judge J. Gordon Flannery today directed that Lewis Wolfe, convicted wife slayer, should remain in Matteawan State Hospital. Flannery dismissed a motion for a writ of habeas corpus sought by the Brooklyn man, convicted October 31, 1934, in Kings County Court of first degree murder in the slaying of his Viennese actress wife, Paula Mona. Wolfe was accused of beating her to death with a steel-tipped shoe after, he said, she had told him she was unfaithful.

Held for Illegal Entry

Robert Broecker, 22, of 15 Shufelt street, was arrested this morning by the police charged with unlawful entry at The Huntington on Pearl street. Later in the morning he was arraigned before Judge Matthew V. Cahill in police court, and held to await the action of the grand jury. No bail was fixed by the court. According to the information filed with the police, Broecker forced his way into one of the bedrooms.

Continue Conference

New York, Jan. 24 (AP)—Representatives of the Western Electric Co. and the Association of Communications Equipment Workers today conferred again today in a session in an effort to reach a new work contracts for 7,000 employees.

Navy Chaplain Gets Honor Medal

Comdr. Joseph Timothy O'Callahan of Cambridge, Mass. (right), becomes the first Navy chaplain in history to get the Congressional Medal of Honor as President Truman decorates him at the White House. Chaplain O'Callahan was honored for bravery amid fire, incessant explosions, and suffocating smoke as he aided crewmen of the stricken U. S. S. Franklin during the attack off Kobe, Japan, last March. Navy Sets Dates For Atomic Tests

Atoll in Marshalls Scene of Historic Event; 97 Ships as Targets

By WILLIAM A. KINNEY
Washington, Jan. 24 (AP)—The navy raised the curtain today on its plans for testing the atomic bomb against a great armada of fighting ships—an experiment expected to revolutionize sea warfare.

A guinea pig fleet of 97 vessels, ranging from corvettes and battleships to submarines and transports, will be the atomic target in the vast operation to start in May. The laboratory selected is the anchorage of Bikini atoll, one of the northernmost of the Marshalls.

Strikes at a Glance

(By The Associated Press)

Coal mines closed by steel strike force 24,000 workers off jobs, boosting country's idle because of labor disputes to 1,635,000.

Major Developments:

Meat—Government proceeds with plans to take over operation of country's strike-bound meat packing plants Saturday but whether 193,000 striking C. I. O. employees will return to work remains undecided pending union meeting tomorrow. 70,000 A. F. L. workers to end strike which started January 16 over wage dispute.

Steel—Union and management turned anew to President Truman for solution of paralyzing four-day-old steel strike. U. S. Steel president proposes national wage policy, urges Mr. Truman to call conference of industrial leaders; union committee recommends government-owned steel plant facilities be made available for private operations.

Railroads—Last-minute arbitration averts threatened strike of 1,500 trainmen employed on three shuttle railroads which serve all major lines converging in Chicago; Brotherhood of Railroad Trainmen said railroads agreed to set up panel to negotiate with union's grievance committee.

Automotive—C. I. O. United Auto Workers resume wage talks with Ford Motor Company and Chrysler Corporation but union and General Motors make no move to seek resumption of negotiations; strike of 175,000 workers at G. M. plants in midst work.

President Points Out Public Interest Is To Be Considered in Steel Settlement

His View

Agreement Must Be on Wage Proposal; No Seizure Planned

Washington, Jan. 24 (AP)—President Truman said today much current industrial strife was a contest for power between management and labor—both of which, he said, have too much power.

The public interest, he added, demands settlement of the steel strike on the basis of his 18% cents wage increase proposal.

Mr. Truman said, however, that he did not intend to seize the steel industry at this time although he did not rule out that future possibility.

It was necessary for the government, Mr. Truman said, to assert the power of the people in preventing strikes against the public interest.

The President disclosed that consideration is being given to federal operation of a government-built steel plant in Utah.

The government built a plant at Geneva, Utah.

Mr. Truman's views were expressed at a news conference. Asked about a proposal by Benjamin F. Fairless, president of U. S. Steel, that he call an all-management conference on wages, Mr. Truman said he always was ready to talk to business leaders.

However, he added, the best thing Fairless can do is send word that he accepts the White House proposal for settling the steel strike.

Seizure Impractical
Mr. Truman said he thought it was not practical to seize the steel industry at the present time. He would not say the industry would not be seized eventually if the strike is prolonged, however.

He also said that the striking steel workers would go back to work at their old wage when the government seizes the meat plants Saturday.

If steel is eventually seized, the President added, the steel workers too, will have to go back to work.

Asserting that both management and labor have too much power, the President declared much of today's industrial strife is merely a try-out for power and added it was necessary for the government to assert itself, to assert the power of the people.

The President said, under questioning, that he has done everything he could to settle the steel strike in the absence of legislation supporting his fact-finding and "cooling off" procedure. The steel strike, he continued, is not in the public interest.

What Public Asks
The public interest requires that the steel industry settle its dispute with the C. I. O. Steelworkers' Union on a basis of the increase he suggested.

A reporter asked what he meant in saying the government should assert itself further in labor disputes.

The President replied he had asked Congress for legislation it had not seen fit to give him.

At the present time, the President said, he didn't see how the steel workers could return to their jobs unless the management accepted his proposal.

He also disclosed that government operation of a government-built steel plant in Utah is under consideration. He made this disclosure when he was asked about a C. I. O. proposal that "about a billion dollars" worth of government-owned steel plants be turned over to individuals willing to give workers the pay increase recommended by the President.

Bank Strike

Rio de Janeiro, Jan. 24 (AP)—Banks closed today in a general strike of several thousand banking employees for higher wages in the Rio de Janeiro area. The workers asserted the strike would extend throughout Brazil.

Re-inspection of Ulster Park Area Saturday Morning

Re-inspection of the Ulster Park area by the United Nations Organization site-studying committee from a blimp is scheduled to take place Saturday morning.

The New York Times in a special dispatch quotes Dr. Gavrilovic, chairman of the committee, as announcing that his group would re-inspect the Hyde Park, Kingston and Yorktown Somers tracts in New York and the Stamford-Greenwich areas in Connecticut in a navy blimp ride Saturday morning from Lakehurst, N. J.

On Worcester Area

Boston, Jan. 24 (AP)—A seven-man committee designated to recommend temporary and permanent headquarters for the United Nations visits the Worcester area today and heads for New York, completing an eight-day tour of New England.

In an inspection of Rhode Island sites yesterday, the committee visited one spot—a wide expanse of open country about 14 miles west of Providence—which Dr. Slayon Gavrilovic of Yugoslavia, chairman of the group, said was impressive. The region is sparsely settled with only 200 families, who would be displaced if the U. N. O. took 40 to 50 square miles considered essential.

The committee also examined areas in the vicinity of Bristol and Newport, but Dr. Gavrilovic indicated they did not meet requirements, particularly as to size.

Commission Will Device Controls For Atomic Energy

By JOHN M. HIGHTOWER

London, Jan. 24 (AP)—The United Nations today ordered the creation of a special commission to device controls for atomic energy and moved swiftly toward action on three critical political issues involving Iran, Greece and Indonesia.

A few hours after the general assembly had voted unanimously to set up the atomic commission under the Security Council, Secretary of State James F. Byrnes left for Washington in President Truman's plane, the "Sacred Cow."

In a leave taking with reporters Byrnes announced that the United States favored the quickest possible public hearings by the Security Council on charges filed by Russia against the British in Greece and Indonesia, and by Iran against Russia.

The Security Council ordered a meeting of its 11 members tomorrow to take up the three cases, and American officials strongly expected that the council would decide to hold public hearings on the three controversial cases next week.

Other developments today included the proposal by the Americans before the general assembly's trusteeship committee that hundreds of millions of people under colonial rule be assured that the ideals of the United Nations on self-rule and independence apply to them as well as to the people living under mandates and trusteeships.

The general assembly adopted a committee report setting the security general's net salary at \$20,000 annually plus a \$20,000 expense account, and fixing the term of his appointment at five years with the possibility of reappointment for a second five-year term.

Byrnes said he did not know whether Gen. Dwight D. Eisenhower would reconsider his refusal to accept the secretary-generalship since the question had not been raised recently.

He said Edward R. Stettinius, Jr., American member of the Security Council, would head the American delegation after his departure, and that Senator Tom Connally would be the American member of the important general committee of the assembly.

In a speech to the assembly urging creation of the atomic commission, Byrnes said it was necessary to save the world from an atomic armaments race.

Treasury Receipts

Washington, Jan. 24 (AP)—The position of the Treasury January 22: Receipts \$30,634,418.47; expenditures \$44,933,663.22; balance \$24,885,256.04. Customs receipts for month \$1,697,306.39; receipts fiscal year July 1 \$22,124,261.87; expenditures fiscal year \$24,963,398.24; excess of expenditures \$2,839,136.37; total debt \$338,587,736.28; increase over previous day \$14,983,134.55; gold assets \$20,110,850,634.25.

Ewig Attacked for Declaring Budget of City Legal, Lawful

Alderman Roth Raps Corporation Counsel and Mayor for Budget Stand

Alderman Victor H. Roth at the Common Council meeting Wednesday evening attacked Corporation Counsel Arthur B. Ewig for testimony he had given in the taxpayers' action to test the legality of the 1946 budget, which Supreme Court Justice Roscoe V. Elsworth ruled was unconstitutional.

Alderman Roth said that the budgets of 1944 and 1945 were also unconstitutional, and that the Republican members of the council had publicly declared this to be so during both years. "Yet," said Alderman Roth, "Mr. Ewig assured the council that in both these years the budgets were legal and constitutional."

The alderman also attacked Mayor W. F. Edelmuth saying that the mayor on assuming office had sworn to uphold the constitution of the state of New York. "Yet," said Alderman Roth, "in spite of that oath he had deliberately and knowingly violated the very constitution he swore to uphold."

Ewig Replies
Corporation Counsel Ewig, in reply to the attack, said that misstatements had been made, and the fact that a misstatement was repeated did not make it true. The statement that he had declared the 1944 budget a legal budget was false he said.

"I never was asked to the legality of the budgets of 1944 and 1945," said Mr. Ewig. "all I was asked was to the legality of several items in the budgets."

President John J. Schwenk interjected to say "In the 1944 budget case you signed a statement to the effect that it was a legal budget."

The presiding officer's contention was upheld by Alderman Joseph N. Bruck.

"I would like to see that written statement," said Mr. Ewig, "where is it?"

After Alderman Paul A. Zucca moved that the council adjourn, Alderman at Large Schenk proposed the statement from the file in the city clerk's office. The document a part of the minutes of the council session on January 11, 1944 is printed herewith.

Roth's Attack

"On January 17 there was reported in the local press the testimony of Corporation Counsel Ewig before the Supreme Court in taxpayers' action regarding the constitutionality of the 1946 budget."

"Mr. Ewig, according to the account spent little time in presenting legal issues but rather used the opportunity of presenting a weak and futile argument based upon alleged failure of a previous Republican mayor to have corrected the dilemma that he now finds himself in. In fairness I feel that all the facts should be placed before the taxpayers to let them judge where the blame rests."

The budgets of 1944 and 1945 were also unconstitutional as is the one offered in 1946. The Republican members of the Common Council on Page Five

Will Observe Law If Strike Comes, Rail Chief Says

Truce Will Be Created by Fact-Finding Emergency Board Is Current Belief

Cleveland, Jan. 24 (AP)—The Brotherhood of Locomotive Engineers will observe "whatever provisions the law calls for" in the event the Brotherhood's 78,000 members authorize a strike on the country's railroads, Grand Chief Engineer Alvaney Johnston said today.

The Brotherhood will hold a committee meeting here February 1 to consider polling the members for a strike. The Brotherhood of Railroad Trainmen has authorized a strike vote among its 215,000 members, and President A. F. Whitney said yesterday it would take about three weeks to complete the voting, after which a strike might be called "within three days," paralyzing railroad transportation throughout the country.

The two organizations, three other "operating" brotherhoods and 15 "non-operating" organizations asked the railroads last July for wages increases averaging about 25 per cent, and for changes in the working rules to improve conditions for railroad employees.

Washington sources said that in the event of a strike call, the National Railway Mediation Board probably would recommend that President Truman appoint an emergency fact-finding board, as provided in the Railway Labor Act. Although the law does not prohibit a strike while such a board is conducting an inquiry, it appeared likely a "waiting period" would result.

Disorders Continue
Bombay, Jan. 24 (AP)—Bombay faced another night of disorders tonight after a riotous day in which police repeatedly fired on bands of demonstrators in futile efforts to restore order.

Two Contingents To Leave Kingston On February First

Kingston's Selective Service Board have been notified to send two contingents to an army induction center in Albany on February 1. One contingent for immediate induction into the armed forces will number 12 men, while the other contingent of 13 men, will be sent for pre-induction physical tests.

All members of both contingents will be the 18-year-old age group.

The two contingents will make the trip to Albany by bus, leaving the draft office at 10 o'clock that morning.

Salary Boosts Excluded

Republican Aldermen Against Second Table; 1st Declared Illegal by Supreme Court

Suit Looms

Firemen, City Employees Voice Sentiments in Wednesday's Session

Kingston's 1946 general tax rate was fixed at \$35.12 per thousand valuation when the new streamlined budget submitted by Mayor William F. Edelmuth was adopted by a strictly party vote of the Democratic majority at the reconvened meeting of the Common Council Wednesday evening. Salary increases granted city employees since last September, are not included in the budget.

The budget adopted at the January 8 meeting, which fixed the tax rate at \$30.64, had been declared unconstitutional by Supreme Court Justice Roscoe V. Elsworth, who had ordered the council to reconvene the January 8 meeting last night to adopt a new budget.

Objection to the adoption of the new budget was voiced by the Republican aldermen who objected to the wage cuts of city employees. The privilege of the floor was extended to Secretary Albert C. Hutton of the Uniformed Firemen's Association, and George E. Yerry, representing the City Employees Local, who urged that the wage cuts be restored.

Mr. Yerry, at the close of the council meeting, said that the City Employees Local, No. 316, will bring suit against the city to have the pay cuts restored. He pointed out that under the provisions of a local law adopted by the Common Council requiring wage increments were granted to city employees until they had attained the maximum salary scale as fixed by the civil service board.

May Restore Cuts

Following the adoption of the budget, over the protests of the Republican members of the council, Alderman Paul A. Zucca introduced a resolution which was seconded by Alderman Herman Roosa, and unanimously adopted which sets forth that "it appears that under the report of the Moore Commission the city of Kingston will receive in excess of \$60,000 in increased state aid in the year 1946 as compared with the amount estimated in the budget to be received from the state; that it appears that under the budget by the mayor salaries of city employees have been reduced; and resolving that the excess of the amount of state aid received in 1946, as compared with the amount estimated in the budget to be received from the state; that it appears that under the budget by the mayor salaries of city employees have been reduced; and resolving that the excess of the amount of state aid received in 1946, as compared with the amount estimated in the budget to be received from the state; that it appears that under the budget by the mayor salaries of city employees have been reduced; and resolving that the excess of the amount of state aid received in 1946, as compared with the amount estimated in the budget to be received from the state; that it appears that under the budget by the mayor salaries of city employees have been reduced; and resolving that the excess of the amount of state aid received in 1946, as compared with the amount estimated in the budget to

Legislators Focus On Management In Labor Struggle

Washington, Jan. 24 (AP)—Congressional efforts to put the heat on management, instead of workers, in the current strike epidemic began to take shape today.

The drive is being sparked by foes of proposals for stern regula-

tion of industrial strife, and some of these lawmakers claim the White House is not adverse to at least one turn on the griddle for struck employers.

This new tactic developed as several senators and representatives advocated speedy abolition or modification of present laws giving tax rebates to corporations whose 1940 profits drop below pre-war levels.

Sponsors of this plan disclosed a program for frequent floor speeches defending labor and criticizing employers for their position in present strikes. Presidential support was claimed for a House address in which Representative Biemiller (D-Wis.) asserted that the U. S. Steel Company would have "made money" if it had accepted the wage compromise advanced by President Truman.

Biemiller said the company would have added \$200,000,000 yearly to its income through a \$4 a ton price boost, while paying out \$180,000,000 in wage increases at the suggested 18.5 cents an hour gain. The \$4 price boost reportedly would have been sanctioned by the administration.

Several of Biemiller's colleagues told a reporter his figures "came from the White House." Biemiller could say only that "they represent a compilation of O.P.A. and the Labor Department" and that "I was asked to make them public so people would know the situation."

The regular meeting of Clinton Chapter, 445, O.E.S., will be held at Masonic Temple, Friday evening, at 8 o'clock. A reception will be given the new worthy matron and worthy patron, Mrs. Jesse Burnhart and Paul E. Jones. Following the meeting refreshments will be served.

MacArthur Ban Ends Century Old Geisha-Girl Tradition

Tokyo, Jan. 24 (AP)—General MacArthur today ended a centuries old custom under which Japanese families sold their daughters into the slavery of prostitution.

MacArthur ordered the Japanese government to obey that section of the Potsdam declaration which guarantees "respect for the fundamental human rights." Under it Japan must annul all laws authorizing licensed prostitution and nullify all contracts committing any woman to prostitution.

The Japanese government recently halted licensing of houses but not the law permitting the sale of girls. In 1940 the government had made a radical change which permitted the sale of girls only by blood relatives, eliminating sale by husbands and sweethearts.

Two weeks ago the Tokyo Brothel Keepers Association decided to release the girls from slavery status contracts and permit them "the democratic right" of going into business independently.

Col. Crawford Sams, chief of Allied Headquarters Public Health and Welfare Service, said the

Japanese girls were sold to proprietors of openly maintained houses for loans of 500 to 1,000 yen (\$33 to \$67) to the parents—frequently against the girls' wishes.

Freezes Government Debt

MacArthur also acted to curtail inflation in economically bewildered Japan with an order which froze the government's huge debt to the Bank of Japan. The debt was ordered retired quickly and the Japanese were directed to submit a complete government borrowing program for the remainder of the fiscal year which ends April 30.

In a further move to halt inflation, Allied headquarters ordered the government to cut expenses to a minimum, to finance deficits as much as possible from current savings of the Japanese people, and to refrain from deficit financing through the Bank of Japan or "ordinary banks."

Headquarters rejected a government proposal to borrow 14,000,000,000 yen (about \$933,000,000) mainly by sale of government bonds to the Bank of Japan to finance the bulk of its November and December deficits, totaling nearly 18,000,000,000 yen.

be in the family plot in St. Mary's cemetery at Barclay Heights, Saugerties.

A high Mass of requiem was offered for Claude E. Smith of 83 Chambers street this morning by the Rev. Joseph A. Geis at St. Peter's Church. Services were largely attended. Music at the Mass was under the direction of Miss Nan Goldrick, and during the offertory Walter Smith sang "O Salutaris" and at the conclusion he sang "Panis Angelicus." Members of Cordis House paid their respects Wednesday evening at 7:30 o'clock and at 8:30 o'clock members of St. Peter's Holy Name Society recited the Rosary under the direction of the Rev. Henry F. Herdegen. Burial was in the family plot in St. Peter's cemetery, where final absolution was given by the Rev. Father Herdegen. Casket bearers were Frank Sasse, Charles Sasse, Joseph Miles, A. Amato, Kenneth Miller and William Sickler.

Mrs. Ann Allen Winter, widow of William Hunter Winter, died in her home in New York city on Wednesday. Funeral services will be held from the Walker B. Cooke, Inc. Funeral Home, on West 72d street in New York city, on Friday afternoon at 4 o'clock. Burial will be in Wilmette cemetery, this city, at 11:30 o'clock Saturday morning. Mrs. Winter was born in this city, residing in Ponchokville for a number of years before she and her husband removed to New York. She is a past matron of Kingston Chapter, Order of the Eastern Star, and while living in New York city was an active member of the New York Federation of Women's Clubs. Her husband, who died five years ago, was employed by the telephone company in New York. While a resident of Kingston he was a member of the Winter Brothers, who for years had a store on East Strand.

The funeral of Mrs. Jane F. McManus of 6 Van Buren street, was held this morning at 9 o'clock from the Jensen and Deegan Funeral Home on Downs street and at 9:30 o'clock at St. Joseph's Church, where a high Mass of requiem was offered by the Rev. Monsignor Stephen P. Connelly, pastor of the church. Services were largely attended. During the Mass the St. Joseph's choir sang the responses and at the offertory sang "Pie Jesu Domine" and at the blessing "Ave Maria." The Rev. Monsignor Connelly led the family and friends in the recitation of the Rosary last evening at 8 o'clock. Members of the American Legion Ladies Auxiliary conducted the ritual. There were many beautiful floral pieces and Mass cards. Bearers were Harold Pine, William Esch, James and Vincent Connor. Burial was in the family plot in St. Peter's cemetery, Rosendale, where the Rev. John Brennan of that parish gave the final absolution.

Mrs. Edith Atkins Story, wife of Harold V. Story, of Ulster Park, died in Kingston this morning after a brief illness. Besides her husband, she is survived by two daughters, Mrs. Richard C. Gendreau of Ulster Park, and Mrs. Herman H. Crispell of New York city; two grandchildren, Richard J. and Patricia Jane Gendreau of Ulster Park; two sisters, Mrs. F. W. Kiestler of Kyserville, and Mrs. Edward H. Cuyper of Brooklyn; and several nieces and nephews. She was a daughter of the late Lemuel W. and Cornelia Van Wageningen of Wawarsing. She was a member of the Ulster Park Reformed Dutch Church, mission and Ladies' Aid Society of that church, and also a member of Ulster Grange No. 968, and of Ulster County Pomona Grange and National Grange. At the time of her death she was the state juvenile deputy of Ulster county. The Ulster Grange will hold services at the residence in Ulster Park Friday evening at 7:30 o'clock. Funeral services will be held from the home in Ulster Park Saturday afternoon at 2:30 o'clock. Burial will be in the Riverview cemetery, Port Ewen.

Two Fires in City

Fire in the roof of the one-story brick building occupied by the Quality Maple Block Co. at 6 1/2 West street, caused the fire department to respond this morning after a brief illness. The fire was under the roof, and according to the fire department was caused by a spark setting fire to sawdust. Damage was slight. Last night at 8:28 o'clock the fire department was called to 383 Abel street where the auto of Richard Wells of 40 Fifth avenue, had caught fire. The interior of the car and the roof were destroyed. Firemen said the cause was from a lighted cigarette.

MEMORIAM

In memory of wife and mother, Mary S. Munson, who died January 21, 1940.

(AP Wirephoto).

International Nobility No Office Layoff

London, Jan. 24 (AP)—Sen. Tom Connally (D-Texas) today criticized a proposal for linking the World Federation of Trade Unions to the United Nations Organization, saying it would create "a sort of international nobility." Speaking before the U.N.O. Assembly's General Committee, the American delegate accused supporters of the proposal of "violating the United Nations Charter." He asked that discussion be postponed until the Assembly meets in the United States.

Neglected Hawaii

Washington, Jan. 24 (AP)—Maj. Gen. Walter C. Short charged today that the War Department delayed setting up radar in Hawaii in 1941 while it completed installations in New York city, Seattle and San Francisco. Short's charge was bolstered when he read to the Pearl Harbor Investigating Committee a telegram he said he had received yesterday from Waterloo, Iowa, signed by Maj. George D. Leask of the Army Signal Corps.

Reserves Decision

New York, Jan. 24 (AP)—Supreme Court Justice William C. Hecht, Jr., reserved decision today on an application by the trustee of the Elmsford Country Club, Elmsford, N. Y., to sell the club to its present lessee, the Elmsford Country Club, Inc., for \$211,000.

Remember the pomander balls that grandmother used to hang in her closet to scent her clothes with spice? They're made with thin-skinned oranges stuck with cloves.

Flashes of Life Sketches in Brief

Nylons to the Brave
Marlboro, Mass., Jan. 24 (AP)—Three mice gave several men a break in a nylon hosiery line yesterday. When the rodents escaped from a box being unloaded from a truck, the women screamed—and the men, made of stiffer stuff, just moved up to the head of the queue.

Obliging
Portland, Ore., Jan. 24 (AP)—Portland Director E. B. McCutchan handed a tenant a check for \$490 and landlord had overcharged her. She blinked in surprise for a moment—then asked one question. Did the check include a \$1 deposit on a key? It was McCutchan's turn. He blinked; said he would work on that, too.

Wrong Number
Salt Lake City, Jan. 24 (AP)—An

airport and aircraft equipment company sent a letter to the Antelope Island Chamber of Commerce offering to equip the island's proposed airport. The company advised it had learned through a survey by the U. S. Department of Commerce that "your city is mentioned as one contemplating construction of an airport" and "we are in a position to render a most unusual proposition."

Antelope island is in the middle of the Great Salt Lake and inhabited by two persons and 300 buffaloes.

Better Late
Portland, Ore., Jan. 24 (AP)—A couple of worn and smudged traf-

fic tickets carried through Pacific warfare turned up in municipal court today.

Even Fires Get It
Chicago, Jan. 23 (AP)—Fire fans were barred by pickets from getting a close view of a fire which caused an estimated \$100,000 damage to an unused seven-story building near the center of the Chicago Stock Yards yesterday.

Pickets who have guarded the yards gates since packinghouse workers went on strike January 16, let fire fighting equipment through, but then closed their lines against spectators.

Child Health Clinic At East Kingston

A child health consultation will be held at the East Kingston Health Center on January 28, 1946, between 1-3 p. m. Dr. Thomas F. Crowley will be in attendance. Immunizations for smallpox, diphtheria and whooping cough may be secured at this time. The children will be weighed and measured and receive a complete physical by Dr. Crowley.

Transportation may be secured by calling your public health nurse at Kingston 2580.

Town of Ulster Public Health Lay Nursing Committee will assist at the consultation.

FRESH FRUIT AND VEGETABLE VARIETY
Fresh fruits and vegetables contribute a large amount of the minerals and vitamins which we need for vigorous strength and high morale. They help keep our digestive systems functioning properly. They add variety in flavor, color, and texture to our meals. They are so good to eat and so good for us.
So many interesting, colorful, and delicious-tasting dishes can be made with these healthful foods.
For instance, spinach, rich in Vitamins A and C and with a goodly quantity of Vitamins B₁ and B₂ present, can be prepared in various ways, so that the most spinach-shunning person will enjoy this healthful vegetable. Try this recipe today:
Strained Spinach with Lemon
2 lbs. spinach
1/2 cup salad oil or
drippings
1 1/2 cups salt
2 tbsp. lemon juice
Slice of lemon for
garnish
2 hard-boiled eggs
Clean and wash spinach thoroughly. Place in kettle without any water. Add salad oil or drippings. Mix thoroughly. Simmer 8 to 10 minutes. Stir or lift occasionally. Reserve excess liquid, if any, for soup kettle. Chop spin-

each and add lemon juice. Garnish with lemon slices and top with sliced or sliced hard-boiled eggs. Serves 6.
So many appetizing dishes can be made with fresh fruits and vegetables. Send for my collection of recipes and enjoy these delicious foods more often.

KINGSTON, NEW YORK, JANUARY 24, 1946

A BALANCED BUDGET

When President Truman in his budget message showed that a balanced budget was within sight, it was startling to the nation. For the first time since 1930 expenditures can be trimmed to keep somewhere near the total receipts. The balance is not possible for the current fiscal year, known as 1946, which ends June 30 next. At that time there will be a deficit of about \$30,000,000,000. But some people think a balance is possible for the fiscal year of 1947, certainly by 1948. The advantage of the president's reporting the estimates of the Bureau of Budgets in January, for the year that begins July 1 next, is that it gives Congress six months to consider them and write in expenditures.

The budget itself is something quite beyond the ken of most of us. It is a volume as big as New York's Manhattan telephone directory, containing on every page a solid mass of figures, column after column. But the idea of balancing it, or the possibility of such an accomplishment in the near future, is stimulating to postwar trade and business reconstruction. It concerns the welfare of every man and woman in the United States, inasmuch as it has a direct influence on prices, wages and jobs available.

SAFETY FIRST

One out of every 14 persons in the United States is due for an accident during the coming year. The cost for care of the victims and in work displacement will be about \$5,000,000,000, or an amount equal to that for servicing the national debt. The results will be so devastating as to seriously impair the re-conversion program, and induce wide unemployment. These dire prophecies are issued by the National Safety Council, of which N. H. Dearborn is president. The statistics need not come true if the country as a whole would take precautions. The council hopes, as a matter of fact, to cut the figures through a plan of accident-prevention to be launched in every state, a budget of \$9,000,000 being set up for the purpose.

The automobile caused 30,000 injuries in 1945, which is 6,000 more than in 1944. At this rate the figure will reach 40,000 in 1946. Accidents stand fifth in the cause of deaths throughout the nation.
So war is not the only killer. Peace activities, both work and play, put a light value on human life. It behooves every citizen to develop more keen stop-look-listen habits.

MARRIAGE AND SURVIVAL

As staid a body as the United States Bureau of Census is putting its support behind Cupid. Official tabulations from these figure-minded folk show that the married live longer than single people. For every 100 married men who die, 141 single men pass into the beyond; and for every 100 wives who succumb, 120 bachelor girls die.

The widowed fare even worse than the single. Widowers perish at the rate of two to one as compared with their married brothers. Widows do a little better, but have one and one-half the mortality rate of wives.

The census officials prove that divorce doesn't pay, for their statistics indicate that those whom the law divides have a harder time to survive than any other group. Men die in the ratio of two to one as against males who stay married, and the divorcees die almost two to one as contrasted with their sisters who stick it out.

Perhaps marriage toughens those who persist—or maybe Cupid really has something in that quiver.

VON TILZER

Harry Von Tilzer is dead. To most people his name means nothing, but there are oldsters who remember such songs as "I Want a Girl Just Like the Girl That Married Dear Old Dad"; "A Bird in a Gilded Cage"; "Down Where the Wurzbarger Flows"; "On a Sunday Afternoon"; and "Please Go Way and Let Me Sleep". Von Tilzer wrote them all, and many others that everyone knows.

Did he get rich? Not noticeably. His first published hit, "My Old New Hampshire Home", written in 1898, sold to the extent

'These Days'

By George E. Sokolsky

THE STATE OF THE UNION

The only items left out of the President's message to Congress on the state of the union were a recipe for pol-likers and a cure for dandruff. To make sure that nothing like it had ever been tried before, I went through presidential messages from George Washington to Franklin D. Roosevelt to see whether any other President had put so much into one single document. No one had ever tried it. No one had ever thought of putting a decade or two of legislation into a single state paper.

It would, of course, be an interesting experiment if it were possible to discover a connecting thought, a design for living, an ideal to guide a people in these many thousand words. But nothing like that appears.

Mr. Truman wants price control to continue for a year and a half more. But at this moment the principal industries of the nation are on strike because of price control. Every strike could be settled in the flash of an eye by genuine collective bargaining, without government intervention, if price control were lifted.

And he wants to continue his war powers, including priority and inventory controls, in spite of the fact that these very controls have stymied and delayed reconversion by making it so difficult, and at times impossible, for business, particularly small business, to get the materials to start again to produce civilian commodities.

And he wants to extend the draft when everyone wants to find a way of bringing all the boys home. And there is no one to tell the American people why so many Americans need to be kept abroad, except to guard surplus war supplies and to police the prostrate Germans and Japanese. Do we require 2,000,000 men to do that? General MacArthur originally said that all he needed was 200,000 men. Has he ever revised that statement?

And when are we guarding in the Philippines? And so, Mr. Truman says: "Good wages means good markets." Selah! And he adds, "Good business means more jobs and better wages." Selah! But how do you pay good wages for the good markets when prices squeeze out profits and for the small man produce a loss? He does not explain that one. So prices are to be held down and wages are to be shoved up, and inventory and priority control are to be retained and a new doctrine in economics is enunciated.

"Private capital and private management," Mr. Truman says, "are entitled to adequate reward for efficiency, but business must recognize that its reward results from the employment of the resources of the nation."

What were those resources producing when the Indians had them? What did similar resources produce in Russia for a thousand years, or in China or in Brazil?

It is not resources in or on the ground that produce goods, but their exploitation by daring, ingenious and wise men. Oil lay in the earth for hundreds of years until the ingenuity and labor of man brought it forth. Electricity has been in the cosmos longer probably than the earth has been inhabited, but it was not until Franklin, Faraday, Volta and others captured it that it became the servant of man. Steam as old as heat, but it was not until James Watt saw a tea kettle and had an inspiration that it became of use to man. And so with Bessemer's steel and Westinghouse's airbrake and Edison's electric light and everything else.

Yet, Harry Truman brushes all that aside and talks about resources. It was not resources but man that made this country what it had been before the wreckers and despoilers got to work on it. Of course, capital, an amalgamation and labor should receive an adequate compensation, but how can they in the economic straight-jacket which the government has devised for them?

Give the industry of this country its head and it will out-produce the rest of the world. But it will not do so on the formula proposed in Mr. Truman's address to Congress. That address kills initiative, but what is worse, it kills hope for a return to common sense. And they say he comes from Missouri!

OPERATION TO RELIEVE DEPRESSION

I have spoken before of the operation of removing the front part of the brain which is the seat of the emotions. In cases of grave anxiety, grief, and great depression the removal of this portion of the brain brings freedom from all these symptoms and the individual is contented with life, his family and surroundings. Unfortunately, however, he loses all sense of responsibility, his obligations to his family and others which of course in many cases renders him unfit to mix much with others in the community.

However, to the patient made free from all his symptoms of anxiety and depression the operation, lobotomy, is a God send, and also to his family who have had to observe, and to some extent share his symptoms.

Because of the great help prefrontal lobotomy has been to patients with anxiety and depression symptoms this operation has been carried out in another type of mental disease—the schizophrenia with double personality. While it has helped some of these cases Drs. W. Freeman and J. W. Watts in the American Journal of Psychiatry (New York) state that this treatment does not help many of this type of patient because so much of the brain has to be removed that the individual is maladjusted, that is unable to adjust himself to others and his surroundings.

In chronic mental cases where all forms of treatment, including the shock treatment, has failed Dr. Freeman and Watts perform the prefrontal lobotomy first, then see how much relief is obtained by the patient and to what extent he can adjust himself to others and his surroundings.

If there is relatively good preservation of socially acceptable habits, they make an opening into a portion of the adjoining part of the brain, with the understanding that a more extensive operation may have to be performed should the patient not improve.

In a series of 50 cases of this serious type of mental disease treated in this way more than half are usefully occupied, and less than 1 in 5 are in a mental institution. To have a loved one free of his intense anxiety and depression makes this operation acceptable to us all.

Chance of Life in Men—The Male Circumciser
Men do have change of life because of gland changes. Symptoms are slight loss of memory, lack of concentration, emotional disturbances, loss of confidence, disturbances of the circulation and others. Send ten cents (coin preferred) and a three cent stamp to The B. H. Syndicate, Box 59, Station G, New York 19, New York, mentioning the Kingston Daily Freeman and ask for booklet "Chance of Life in Men."

of 2,000,000 copies. He got fifteen dollars.

With so many hits to his credit, Von Tilzer might have been expected to sell any new song automatically. Yet he said, "I must have written about 3,000 songs, but only about 2,000 were published." Would-be song writers should bear this in mind.

Shoulder (Ours) To Shoulder (His)

GARDINER

Gardiner, Jan. 23 — Mr. and Mrs. Frank Boland and son, Jack, and Mr. and Mrs. Isaac Williamson, Jr., were among those who attended a family dinner at the home of Mr. and Mrs. Isaac Williamson, Sr., of Walden. The dinner was given in honor of Frederick Williamson, who was recently discharged from the army after serving in the C.B.I. theatre. Seventeen guests were present.

Mrs. David B. Wiese of East Orange, N. J., was a week-end guest of Mr. and Mrs. David Wiese.

Miss Helen Jayne of Monticello spent the week-end with her parents, Mr. and Mrs. Lewis Jayne.

Lt. Col. and Mrs. A. Losee were week-end guests of Mr. and Mrs. N. Hensel.

Miss Joyce Upright spent Sunday with Miss Shirley Brooks of Springtown.

Mr. and Mrs. Joseph Devo spent the week-end with Mrs. William Schoonmaker of Port Jervis.

Mr. and Mrs. Raymond Cruciflas and Miss Edna Dugan were in Kingston on Saturday.

Miss Jean Sutherland of New Paltz spent the week-end with Mrs. Louise DeGraff.

Lieut. (j.g.) and Mrs. Forest Dawson were week-end guests of the Rev. and Mrs. John Dystra.

Mrs. Joseph Maudslai has returned home after visiting relatives in New York City.

There will be a card party for the benefit of the March of Dimes on February 6 at the Gardiner hall.

The Holy Name Society of St. Charles Church will sponsor a card party at the Gardiner hotel on February 19 at 8 o'clock.

There will be the regular Sunday morning services with Sunday school at 10 o'clock and worship service at 11 o'clock. This is Missionary Sunday for the Sunday school. A special offering will be taken and also a picture of the school will be taken so urge everyone to be present. This picture will be sent Jay Kappenga, a missionary in Arabia, for whom the Sunday school is working on a special project.

Choir practice will be held at the parsonage Friday evening at 7:45. On Thursday evening, February 14, there will be a Valentine Games Party at the church hall sponsored by the Dutch Circle. Keep this date in mind for an evening of fun and fellowship.

Mr. and Mrs. O. Wurtz announce the engagement of their daughter, Evelyn to Frank Penzato, son of Mr. and Mrs. Joseph Penzato. No date has been set for the wedding.

If you want beefs to have a rich red color when cooked, do not peel or break off the skin when preparing them. You can make beefs by preparing as you would for boiling, rub surfaces with oil and bake until tender.

Twenty and Ten Years Ago

January 24, 1926—Nash S. Eldridge, a former resident, died in Gloversville.

John Ferraro and Miss Lillian Marable, both of Glasco, married in that village.

Miss Mary O'Hara of this city, died in Poughkeepsie.

St. Mary's parish expended \$154,151.89 during 1925, according to annual report of the Very Rev. Joseph E. Scully, pastor of the church.

January 24, 1936 — The three-story meat market and dwelling of Mr. and Mrs. Irving D. Sutton in New Paltz, destroyed by fire.

Simon P. Myers of South Manor avenue died.

Judge G.D.B. Hasbrouck elected president at annual meeting of trustees of the Home for the Aged.

John B. Matthews resigned as a member of the water board.

Richard B. Osterhout died in his home in Alstead, aged 89 years.

Death of former Alderman Sherman Higgins of Franklin street.

Mrs. James Brophy died in her home on Van Deusen street.

KRIEPELUSH

Krippebush, Jan. 24—A social evening will be held on Thursday, January 31, at the J. O. U. A. M. Hall at 8 o'clock. Guest for the evening will be Mr. Nelson who will entertain with cowboy songs.

A pantomime will be given by 21 people and our local talent Bill Wager, saxophone; and James Mahoney, trumpet will render several selections. Ray Nolin will sing a solo. Refreshments will be served after the entertainment, there will be a small admission charge with proceeds going to the M. E. Church.

Mr. and Mrs. Walter Plath of Schoharie have been spending a few days with their parents, Mr. and Mrs. Howard Van Aken. Mr. Plath was recently discharged from the service.

Recent honorable discharges from the army are Milfred Van De Mark, Harold Winchell and Lester Lounsberry.

Lawrence Miller of the Merchant Marine spent a few hours home the past week-end.

PASTOR GETS WINDMILL
Rev. J. W. Johnson, of Townsend Street Presbyterian Church in Belfast, Northern Ireland, received an unusual present from his congregation when he returned from service as Army chaplain. It was a model of a windmill which is to be erected soon by the congregation on the pastor's family farm at Ballygavilly in County Tyrone. The windmill will operate a water supply and an open air swimming pool. Rev. Johnson wants to make his farm a camp for boys in the church.

"A Century's Turn"

By H. L. VAN DEUSEN

The general contract for the erection of the Governor Clinton Hotel was awarded to the J. G. White Engineering Corporation of New York City, it was announced on July 1, 1924. The announcement also stated that George E. Lowe, local architect, had been named as the architect in charge of plans and building.

Earlier that year a group of leading citizens of the city had staged a stock selling campaign to raise \$300,000 for the erection of the new hotel. The campaign was highly successful and more than the amount needed was sold.

For several years there had been agitation in Kingston for the erection of a new and modern hotel, which finally culminated in the building of the present hotel.

The horse and buggy era was recalled to mind when I read a clipping today dated June 13, 1924, telling of the death of John H. Meyer, for years one of the leading wagon manufacturers in the Hudson river valley, in his home at Cottage Row. Mr. Meyer at the time of his death was 85 years old.

Henry Kolts, in June 7, 1860, opened a shop for the manufacture of wagons at the corner of Mill and Chambers streets, under the firm name of Meyer & Kolts.

The partnership continued for seven years, being dissolved in 1867, and Mr. Meyer continued to carry on the business with great success. He was an artist in his line of work, and the wagons turned out by the Meyer factory were noted for their beauty and sturdiness.

In 1919 Mr. Meyer placed on the market the American Eagle lawn swing. He also embarked in the business of manufacturing special bodies for automobiles and trucks.

The old wagon factory is now owned by the C. H. H. Supply Co. and is used largely for warehouse purposes.

Mayor Morris Block on June 25, 1924, appointed Mrs. Everett Fowler and Mrs. Thomas F. Hayes as members of the education board to fill the vacancies caused by the expiration of the terms of Ernest W. Kearney and Joseph M. Herbert.

During the 1920's and prior to that period, there had been agitation on the part of many of the women's clubs and organizations of Kingston to have women appointed as members of the education board, and it was during the administration of Walter P. Crane as mayor that the first woman was named to serve as a member of that board.

DeWitt H. Loos, prominent lawyer of this city, died in his home on Fair street on July 5, 1924, in his 73rd year.

For years, Mr. DeWitt had his law offices located on the second floor of the Masonic Building at Broadway and Strand. Since 1881 he served as attorney of the Rondout Savings Bank. During the many years he lived in this city and practiced his profession he was very active in all civic affairs.

FARMERS COME TO LIFE
Children's Book Week, now an annual festival in Moscow, entertained thousands of children fairly lately opened on the stage to reveal tales from Alexei Tolstoy's "Little Golden Key"—a version of Panchtantra. The Little Golden Key and other fairytales, Sergei Mikhailov, a sort of Russian Eugene Field, who has written hundreds of poems for children, read some of his writings.

For that crunchy texture try sprinkling browned buttered bread crumbs over sliced beans. For a delicious touch, add chopped chives, and parsley to diced butter, carrots. A few capers added to your drawn butter sauce for fish, mutton or lamb enhances the flavor.

Today in Washington

Smith-Connally Act Provisions Explained as Regards Work Stoppages and What Can Be Done About Them

By DAVID LAWRENCE

Washington, Jan. 24 — When long distance telephone service was interrupted here recently by a work stoppage, did the public have any redress?
Elucidation of the Smith-Connally law shows that Congress intended to provide a way by which both the United States government and the American people could sue for damages if injured in any way by a work stoppage not only on the telephones but in any plant or facility doing business with the government in wartime. Technically, a state of war still exists.

The law requires that in order that "the President may be apprised of labor disputes" which threaten to interrupt production in wartime, notice must be given "by the representative of the employees" to the secretary of labor, the National Labor Board and the National Labor Relations Board. In addition to the notice, there must be given "a statement of the issues giving rise" to the labor dispute.

The plan does not mention a "strike" nor a "continuous session" of labor union nor any of the other names which unions give to work stoppages but specifies that notice must be given of threatened "labor disputes."

No Notice Given
In the recent work stoppage which tied up suburban Washington and isolated the national capital from the rest of the country for nearly a week, no notice was given by the representative of the employees, it being argued that the incident was caused by the fact that the members of the union were in "continuous session" for several days. It would be up to the courts to determine whether the law was violated, but certainly on its face there was a "labor dispute" and grievances such as ordinarily occur in labor disputes.

The penalty for failing to give proper notice is covered by the following provision of the law: "Any person who is under duty to perform any act required under subsection (A) and who willfully fails or refuses to perform such act shall be liable for damages resulting from such failure or refusal to any person injured thereby and to the United States if so injured."

"The district courts of the United States shall have jurisdiction in the event of a violation of this section to award damages to any person injured by such failure or refusal, and to award damages to the United States if so injured."

The law is also severe in what happens after a government seizure. An individual may be away from work as he pleases but it must be his own action influenced by anyone else. No union or group of individuals can issue such orders to him without violating the law. Union operations can be "paralyzed" once a seizure by the government occurs and the union seizes in any way to stop a return to work by those who wish to do so. It is believed that even union meetings designed to prevent back-to-work movements can be held to be unlawful.

Hence, the report that a major union official has said that meeting packing employees will not go back after the government seizes its plants unless they get a wage increase could mean legal difficulties for the union leaders if they make any attempt to bring about concerted action by employees at that point after the plants are seized.

700,000 Pass Through
Marseille, France, Jan. 24 (AP)—Redeployment of American troops from this port probably will end some time this week when the last of 55 to 59-point men pass through the Calais staging area, the Army said today. The delta base section will cease to exist at midnight and will be absorbed into the western base command at Paris. More than 700,000 men have been redeployed through Marseille.

Ewig Attacked for Declaring Budget of City Legal, Lawful

Continued from Page One

Council publicly declared this to be so during both years. Yet Mr. Ewig, the Corporation Counsel, assured the Council that in both these years the budgets were legal and constitutional. This would seem to indicate that Mr. Ewig either does not have the capacity for the position he occupies or that he deliberately gave an opinion which he knew did not conform to the State Constitution purely for partisan expediency. We Republican members of the Council have been censured by the Corporation Counsel repeatedly because he alleges we do not consult him for legal opinions. In view of what has transpired is it any wonder that we cannot place any reliance on his opinions.

Unfair Tactics

"Mr. Ewig attempts to blame a former mayor, whose term of office expired in 1941, for the budget's troubles of 1946. Now I give the taxpayers of Kingston more credit than to expect them to place any blame on Mayor Heiselman who has been out of office for four years for what is happening in 1946. This is definitely unfair tactics and has no place in the testimony."

"Now folks, let's get down to the facts. The new constitutional tax limit did not become effective until 1944. Mayor Edmuth entered office January 1942. He has been mayor ever since—a matter of four years. The 2 per cent tax limit is based on the average assessment over the past five years. Two per cent of this average with certain deductions, is the limit that is permitted under the State Constitution. We do not make the state laws

but we are under oath to uphold these laws. During the past four years the mayor has chosen to disregard the Republican warnings and showed utter contempt for those who pointed out the danger of continuing to exceed this 2 per cent limitation tax."

"Upon assuming his office as mayor, Mr. Edmuth, as required by law, swore to uphold and defend the Constitution of the state of New York. Yet in spite of that oath he has deliberately and knowingly violated the very Constitution he swore to uphold. On January 1, 1946 he submitted a city budget to this Council which exceeded by at least \$170,000 the 2 per cent tax limitation as provided in the State Constitution."

Cahill Was Right

"In 1943 Candidate Matthew V. Cahill predicted that unless proper action was taken by Mayor Edmuth to meet this situation the city would face a serious crisis. In answer to Matthew V. Cahill's prediction the mayor made a radio address, still remembered by many, in which he told the people to lean back in their chairs and take it easy; that there was no truth in the Cahill statement; that he, the mayor, knew all the answers and that everything was under control. Now folks, in view of present events who was right. I leave it to you to decide. Judge Cahill was practically ridiculed by the mayor in this radio address. It seems to me, Judge Cahill showed remarkable foresight."

"Kingston was not the only city facing this problem, but fortunately for them they had men of action and the foresight to place their fiscal structures in a position where the 2 per cent limitation did not present a serious situation such as occurred here in Kingston."

"I pointed out in my minority report that there was a possibility of an action to invalidate the budget. The Republican minority members asked that this budget be returned to the mayor so as to bring in a legal budget. We were voted down by the majority party. Each and every one, upon taking office, swore to uphold the State Constitution, certainly they cannot say that they were unaware of their violation of the sacred duty imposed upon them."

"Governor Dewey recognized that some cities were having difficulties under this law and he appointed a committee to study and recommend more state aid. But it was not his intent and purpose to have the municipalities sit back and do nothing for themselves."

"I think we owe this explanation to the taxpayers of this city. I hate to bore you with this long recital but it is the duty of each Alderman in this city to protect the interest of the people who foot the bill. It is the intent of the 2% law to accomplish this purpose. But when a mayor can present a budget which he knows is illegal and his instructed Majority Aldermen vote for it, it is time for someone to bring it out in the open. The taxpayers may their mayor \$5,000 a year and have a right to expect foresight and the capacity for that high position."

The Written Statement

Following the adjournment of the council meeting the Republican aldermen met in the city clerk's office where they examined the minutes of the Common Council meeting held on January 11, 1944.

The written statement to which reference was made is contained in the minutes of that 1944 meeting. The statement, as copied from those minutes, reads as follows:

Common Council, City of Kingston, Kingston, N. Y., Gentlemen:

By resolution adopted by the Common Council at its session held in Kingston on Tuesday, January 4th, it was resolved that the question of the legality of the budget submitted by the mayor of this city and recommended by him for adoption be, among other things, referred to me as corporation counsel. This resolution also embodied a provision that inquiry be made by the Common Council of the comptroller of the State of New York for his opinion concerning the legality of this budget. The resolution did not particularly state what items or portions of the budget prompted the adoption of this resolution.

However, upon the invitation of

the Finance Ways and Means Committee I attended its meetings at which, besides the members of the committee, your presiding officer was also present. At these meetings, the several items in question were brought to my attention and were discussed. My views were then expressed to the committee and I now reiterate and beg leave to inform your Honorable Body that, in my opinion, the budget, as submitted by the Mayor to the Common Council, is in all respects a legal one; and that I know of no authority supporting any contention that the budget, in whole or in part is illegal or that any of the items comprising it are unlawful; all of which I respectfully submit.

Respectfully yours,

ARTHUR B. EWIG (Signed)

The executive committee of the Ulster Educators met at the home of Superintendent Ralph H. Johnson in New Paltz early in January.

Those attending were: Superintendent Ralph H. Johnson, John Lake, president; John Gardner, vice president; Miss Sarah Guller, U. E. representative to the house of delegates; Miss Rosalie Symes, U. E. representative to the house of delegates; Miss Rosalie Symes, U. E. representative to the house of delegates; Miss Rosalie Symes, U. E. representative to the house of delegates.

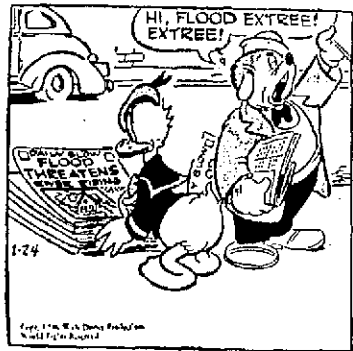

Plans for the spring conference to be held in New Paltz in April were made. The music will be in charge of Mrs. Doris Arnes. Dinner will be served by Huguenot Grange. Mrs. Ann Blawie will have charge of the tickets. The next meeting of the executive committee will be held on February 18 at Marlborough Central School at which time a report of the house of delegates will be given by Mr. Ernst and Miss Guller.

and further plans for the spring conference will be made.

Urge Petrillo Curb

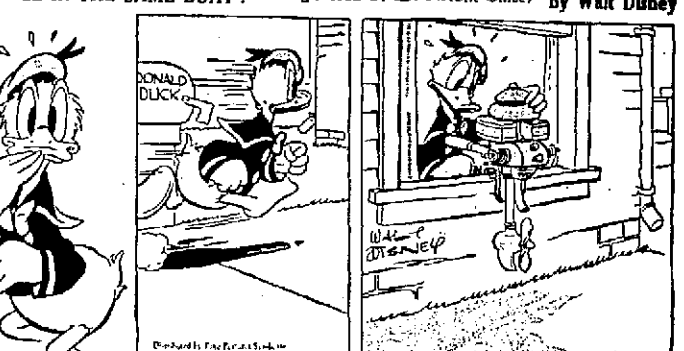

Washington, Jan. 23 (AP)—The House Commerce Committee today approved, 14 to 5, legislation designed to restrain the powers of James C. Petrillo, head of the American Federation of Musicians. The bill, introduced by Committee Chairman Lea (D., Calif.), is aimed "to prohibit certain coercive practices affecting radio broadcasting." Lea told newsmen the bill grew out of demands made upon broadcasters by Petrillo. Lea said he considered the demands "not within the legitimate rights of any organization" and added that "a self-respecting government cannot afford to permit" them.

Democrats Want State University

**Mahoney, Steingut Would
Spend \$5,000,000**

Albany, N. Y., Jan. 24 (AP)—Establishment of a State University with an initial appropriation of \$5,000,000, is proposed in a bill introduced in the legislature by Senator Francis J. Mahoney, and Assemblyman Irvin Steingut, New York city, Democrats. The money would be appropriated from the state postwar reconstruction fund.

Dewey said in his annual message that "we should examine the need for a state university, including professional schools, in order to equalize education opportunities throughout the state and to provide larger educational plants required by a larger population."

Mahoney's bill would provide for a college of arts and sciences, schools of engineering, medicine, law and others to be determined by the Board of Regents. Preference would be given residents of the state or professional students who agreed to spend their first five years of practice in the state.

A constitutional amendment requiring annual personal registration of all voters of the state and eliminating the present non-personal registration districts was proposed by Senator Roy H. Rudd, Brooklyn Democrat.

Other bills would: Protect senior rights of uniformed state prison guards. Continue to July 1, 1947, the housing emergency period during which exceptions may be made to laws governing multiple dwellings in New York city. Authorize the conservation commissioner to pay a \$7.50 bounty for each red and gray fox killed during a prescribed period.

PORT EWEN

Port Ewen, Jan. 24—The regular weekly meeting of Boy Scout Troop 26, was held Tuesday evening, January 22. All Scouts were present in uniform. They practiced the Morse signalling code. Following advancement and regular troop business the meeting closed. The Flying Eagle Patrol still leads in the interpatrol contest. A Troop Council meeting will be held on Thursday, January 24. All members are urged to be present.

M/Sgt. George Minkler has received his honorable discharge from the army at Fort Dix. Mr. and Mrs. Minkler have returned to their home in Indianapolis, Indiana, after visiting his parents.

Members of the Frisella Society will serve lunches to the members of the Horticultural Society at their annual convention in the municipal auditorium next week. Helpers are needed Wednesday, Thursday and Friday, January 30, 31 and February 1. Anyone needing transportation is requested to contact Mrs. Basil Potter. Anyone wishing to help will be most welcome.

There will be a Food, Fun and Fellowship Night at the Methodist Church tomorrow evening. A pot luck supper will be served at 6:15 o'clock. Everyone is reminded to bring his chapel bank. There will be a program of entertainment and games.

In the Ladies' Bowling League this evening Team 2 will play Team 3, at 6:45 o'clock and Team 1 will play Team 4, at 8:45 o'clock.

Troop 44, Brownies will meet tomorrow afternoon at 3:20

o'clock in the Methodist Church Hall.

There will be a house to house canvass of the village on Saturday, February 2, to collect garments for the Victory Clothing Drive. Everyone is urged to have contributions in strong cardboard cartons to facilitate handling and shipping. All types of serviceable garments and articles of clothing are desired to help clothe the destitute of war torn countries.

Mr. and Mrs. Wilbur Fulton and daughter, Carol Ann, were recent visitors of Mr. Fulton's parents, Mr. and Mrs. Robert Fulton.

A mass meeting will be held Monday evening, January 28, in the Ulster Park Community Hall at 8 o'clock. The purpose of the meeting is a discussion of the proposed plans for the U.N.O. in Ulster Park and how they will affect the Town of Esopus. All persons interested in learning more about this timely subject are urged to attend.

Services Scheduled At Temple Emanuel

Services will be held in Temple Emanuel Friday evening at 7:45 o'clock. Rabbi Bloom will preach on the theme, "The Crisis of the Individual—Man in Mechanized Society."

The adult study group will meet after the service.

Religious school will take place Sunday at 10 o'clock.

Various Drives Assisting in March of Dimes

Mabel Chapman, graduate regent of the Women of the Moose, Kingston Chapter 697, with her committee are making plans to raise a large sum of money at a card party for the Ulster County Chapter National Foundation for Infantile Paralysis campaign.

Mrs. David Seigel, president of the Ladies' Auxiliary of the Ahavath Israel also reported that

at their annual installation of officers January 20 a "March of Dimes" collection was made at which time \$26.00 was raised and check sent in to Infantile Paralysis drive. It is understood a number of other clubs and organizations are arranging various social affairs during the week which will be announced as they notify Ray McAndrew the campaign director.

Radio Chairman Joe McTague has released changes of the schedule. Starting Saturday night, January 26th, Mrs. Virgil Everett, R. N., and chairman of the Nursing committee of the Ulster County Infantile Paralysis Chapter, will be heard at 6:35 giving

details as to treatment and nursing in poliomyelitis cases. Monday evening, January 28th, 7:45, Mrs. Sam Mann will be heard, followed at 7:50 by Bernard Feeney, president of the Board of Education, who will tell about his experiences with polio, when his own little daughter, Kathryn was stricken. On Tuesday, January 29th, Dr. Saul Little recently discharged from the army where he served in the capacity of chief orthopedic surgeon at the Foster General Hospital, Jackson, Miss., and connected with the Walter

Reed Hospital in Washington, D. C., will speak. Dr. Ritchie had previously been connected with the Ulster County Chapter before enlisting in the service.

Serving You Better, Every Day

We're more than glad to welcome back some of our men who served overseas. At our Washington Avenue market, Bob Dixon is General Manager, while Francis Brady is back in the meat department and Ernie Boss again helps with the Dairy products. In our Smith Avenue Market, Frank Howard looks good in the meat department again, John Keizer is greeting old friends as manager of the fruit department, while John Schoonmaker and Elwood Robinson are pushing out the groceries. It's beginning to look like old times!

STORE HOURS: 8:30 A.M. to 8:00 P.M. FRIDAY 8:30 A.M. to 3:00 P.M.

KERHONKSON

Kerhonkson, Jan. 23.—Mrs. John Chieko is able to be out again after being ill at her home for a couple of weeks.

Mrs. Lorenz Prohl has returned home from the Kingston Hospital.

Mrs. Claude Terwilliger and father Herman Germer were visitors in Kingston on Saturday.

Mr. and Mrs. Thomas Moriarty entertained some friends over the week-end.

Mr. and Mrs. Al Wagner spent Friday in town visiting friends.

Mr. and Mrs. Wagner were former residents here, he being employed with Rosoff Construction Co.

George Bilyeu of Middletown spent the week-end with his family here.

Mrs. Fred Strickland and niece of Oriskany Falls left on Tuesday to spend several weeks in Florida.

Mrs. Ransler Vanmark entered her pinocchio club on Tuesday evening, January 22 at her home.

Mrs. Claude Terwilliger entertained several classmates of her son Claude in honor of his birthday on Sunday, January 20. Those attending were: Messrs. Dennis Decker, Robert Brunner, Gleason Purcell and H. Slater.

Jason Decker is ill at this writing.

Mrs. Nettie Whitaker and Harry Decker spent Tuesday morning in Poughkeepsie.

Sympathy is extended to the family of the late Mrs. Ella Sheldon Green who died at her home on Sunday afternoon. Funeral was held at Hurstman Funeral Home on Wednesday at 2 p. m. with burial in Pine Bush cemetery.

Mr. and Mrs. Jason Baker, Mrs. James R. Doyle, Mr. and Mrs. Richard J. Doyle were dinner guests of Mr. and Mrs. James Grant on Thursday evening.

Mrs. Christine Davis and nephew, Willard Mance, of Poughkeepsie, were guests of Mr. and

Mrs. Andrew Terwilliger for dinner one day last week.

Mr. and Mrs. John Chieko and son, John, spent the week-end in New York.

Mr. and Mrs. Walter Flint entertained Mrs. Flint's son from the U. S. Army for a couple of weeks.

Mr. and Mrs. Wilbur Wright, Michael Kobut and Hazel Markle spent the week-end out of town.

Joseph Grable of Napanoch and Brooklyn spent Sunday with Mr. and Mrs. William Joyce.

Brendan Druey and William Macguire of Liberty were guests over the week-end at Indian Valley Inn.

Richard Green was honorably discharged from the Army last week and arrived home on Friday evening.

Mrs. Ben Markle of Ellenville was guest on Tuesday last week of her father James Addis.

Mr. and Mrs. Frank Schonger have purchased the bungalow on Schonger Hill of Maynard DeWitt.

The Roundout Child Study Club met with Mrs. John Braun at Ellenville last week. The next meeting, January 29, will be with Mrs. Howard Anderson at Accord.

Mrs. Frank Deesmer, Mr. and Mrs. Irving Van Vleet spent the week-end in Worcester, Mass., with relatives.

Mrs. Harrison Brown is helping at the Hurstman store.

Mr. and Mrs. Francis Coddington welcomed a daughter on Tuesday, January 15.

Mrs. James Anderson and Mrs. Everett Decker called on the former's husband, Mr. Anderson, at "Rest Awhile" in Ellenville on Thursday.

The W. S. C. Society regular monthly meeting and family night will be held on Wednesday, January 30, at the Methodist Church.

Mr. and Mrs. Wilbur Wright returned to the home of his parents, Mr. and Mrs. Berlin Wright on Thursday from their wedding trip.

Mr. and Mrs. Wright will remain with the former's parents until he enters Cornell University in the early part of February.

Mrs. Ethel Decker entertained the pinocchio club on Tuesday evening, January 15.

Mr. and Mrs. Berlin Wright entertained at dinner on Friday evening in honor of the birthday of Miss Ida May Whitaker.

John Drush attended the funeral the past week of his mother in Connecticut.

Canton Man Heads Agricultural Society

Albany, N. Y., Jan. 24 (P)—Van C. Whittemore, Canton, heads the New York State Agricultural Society.

Whittemore, who succeeds Harry Bull of Campbell Hall, was elected president at the organization's 144th annual meeting yesterday.

Owen D. Young, New York city; J. C. Corwith, Water Mill; Walter G. Emerick, Watervliet; Mrs. Ralph Reed, Salem; E. J. Walrath, Syracuse; Homer L. Creel, Stoner; Herbert P. King, Trumansburg; Warren W. Hawley, Batavia, and Alfred Booth, Campbell Hall, were elected vice presidents.

J. H. Morrison to Go to Glens Falls

Local Metropolitan Life Manager Transferred to Home Town

John H. Morrison, local district manager of the Metropolitan Life Insurance Company, announced Friday at the weekly staff meeting of his local assistants and agents, that he has been transferred home to Glens Falls, to take effect February 1. Mr. Morrison has been manager of the Kingston District for 10 years. He took charge of the local office in October, 1935, succeeding Francis W. Heimerle, who is now retired.

Mr. Morrison began his career with the Metropolitan Life Insurance Company 25 years ago in Glens Falls under the late Harry R. DuPont, formerly of Kingston. After serving two years as agent for Mr. DuPont, he was advanced to the position of assistant manager at the age of 24. After serving in this capacity for eight years in Glens Falls, his ability as a leader of men was recognized, and he was transferred to Schenectady, a larger field, for further training. After two years in the Schenectady District, the home office again recognized his ability and he was promoted to the management of Malone. He managed that office for a period of four years, and in 1934, Malone District stood second out of 840 district offices in the United States and Canada, in sales and new business. For this outstanding accomplishment, he was placed in charge of the Kingston District.

Mr. Morrison stated that it has always been his wish to return to his home town as district manager, and two years ago he made this request to an executive of the company. Recently the Glens Falls District was available so Mr. Morrison was called to the home office and given the opportunity of returning to his home district. This announcement came as a surprise to the staff.

Mr. Morrison always had the agents' welfare at heart. He made a practice of accompanying his agents into the field to assist them in securing new business. It was through his untiring efforts that for the first time in the history of the city of Kingston, the local Life Underwriters have formed an association for the betterment of underwriting, and to give better service to local policy holders.

He is a charter member of the Mid-Hudson Valley Life Insurance Association, a member of the Rotary Club and served as director for three years. He is also a member of the American Legion, Knights of Columbus, Holy Name Society and a member of St. Joseph's Church. He has been very active in civic affairs and served as vice-city chairman of the Beneficent Hospital Fund Drive, and chairman of St. Joseph's Fund for the Sisters of Charity. He and his

staff took an active part in selling war bonds. He is a commissioner of the Water Board, appointed by Mayor Edelmuth. Mr. Morrison said although he is pleased to be going back home, he will always have a warm spot in his heart for Kingston, and the friends he has made here.

Mr. and Mrs. Morrison have five children. One son, John, Jr., is serving in Naval Aviation.

No successor has been appointed here to Mr. Morrison.

Swap Ships Even Up
Mexico City, Jan. 24 (AP)—Sources close to the Mexican Navy Department said today that Mexico was planning to exchange five submarine chasers borrowed from the United States during the war for five American destroyers. The sub-chasers will be dispatched to New Orleans early next month to complete the exchange, which was arranged during the San Francisco conference, these sources added.

Milk Producers Can't Stand Cut In Their Prices

Syracuse, N. Y., Jan. 24 (P)—A representative of metropolitan milk dealers says returns to producers must not be reduced if a sufficient supply of fluid milk is to be obtained.

W. O. Mather, counsel for the dealers' association of metropolitan New York, testified yesterday at a hearing on proposed price amendments to the New York milk marketing order. The hearing, final of a series of three, continues today.

Representatives of dairy groups asserted that if subsidies ceased milk production would fall off dangerously. Mather supported this contention.

Old silver kept in a box of flour should not tarnish.

THE COLA DRINK

WITH CANADA DRY QUALITY

"Beau or Breadwinner..."

he can't resist this DIFFERENT COFFEE CAKE!

Betty Crocker

"BE MINE" COFFEE CAKE

Important: Use only Gold Medal "Kitchen-tested" Enriched Flour with this recipe

Crumble into mixing bowl 1 cake compressed yeast (about 1/2 oz.)
1 cup milk (scalded and cooled to lukewarm)
1/4 cup sugar
1 tsp. salt

Stir until completely dissolved.

Stir in 1 egg (or 2 egg yolks plus 1 tbsp. water), well beaten

Add 1 3/4 cups sifted GOLD MEDAL "Kitchen-tested" Enriched Flour

Beat with spoon until smooth and elastic (batter will fall from spoon in "sheets").

Beat in 2 to 4 tbsp. shortening (depending on richness desired), melted and cooled.

Work in with the hand 1 1/2 to 2 more cups sifted GOLD MEDAL "Kitchen-tested" Enriched Flour (enough to make a dough that no longer sticks to mixing bowl and is possible to handle)

Turn dough onto lightly floured board, cover, let stand 10 minutes to tighten up. Knead until smooth and elastic. Place in greased bowl. Cover with damp cloth. Keep dough at 80° to 85° until double (about 2 hours). Punch down dough. Round up and set to rise again until not quite double (about 45 minutes). Round up on board, cover with towel and let rest 15 minutes to make it easy to handle.

Roll dough into a 12" x 14" rectangle (1/2" thick). Spread Cranberry Filling (recipe below) or 1/2 to 3/4 cup thick red jam or jelly evenly over the surface to within 1 1/2" of outer edge. Roll lengthwise firmly and evenly into a long roll. Pinch well along edge and ends to seal.

Place on greased heavy baking sheet. Fold roll in two so top half is a bit longer than under half; tuck long end under other and pinch well to seal. With scissors cut through double roll down the length from folded end to within 1 1/2" of sealed end. Separating cut sections, lay each side open, turning outside up. This forms a heart shape... with sealed end as the point of the heart.

Let rise at 80° to 85° until double (20 to 30 minutes).

Bake 25 to 30 minutes in a quick moderate oven (375°). While still hot, spread with thin white icing (made by blending 3 tbsp. milk with 1 cup confectioners' sugar). Sprinkle lightly with 1/4 cup finely chopped nuts, if desired.

CRANBERRY FILLING

Cook until mixture is the consistency of thick jam... 1 cup cranberries (ground), 2 medium sized apples (ground), 1/2 cup sugar, 1/4 tsp. cinnamon, and 1/2 cup corn syrup. Cool before spreading on dough.

SAYS
Betty Crocker
of General Mills

"BE MINE" COFFEE CAKE looks so good... tastes so good... it's guaranteed to make the most stubborn male sit up and take notice!

Your folks have never feasted on a coffee cake quite like this! Cranberry filling, cinnamon and nuts, glorify the especially rich, light, and tasty yeast bread.

Make the latter with Gold Medal "Kitchen-tested" Enriched Flour—and you start with real "baking insurance". Because Gold Medal is triple-tested to insure baking success! Tested before the wheat is purchased... through the milling process... under "home" baking conditions by the Betty Crocker Staff.

Clip the coupon—buy a sack of Gold Medal Flour today! Use it in all your baking. Discover why it's the first choice of America's homemakers... by nearly two to one!

This heart-shaped surprise dough makes breakfast a banquet! A rich yeast bread that's actually a "breakfast cake"... it's a grand for bride, luncheon, afternoon tea, or "kiss-me" (kiss-me)!

Bixby Appointed

Albany, N. Y., Jan. 24 (AP)—R. Birdell Bixby, Hudson, will begin work February 1 as secretary to Assembly Speaker Oswald D. Eck. Heck announced Bixby's appointment to the \$6,000 a year post yesterday. The Hudson man also is discharged from the Army next week.

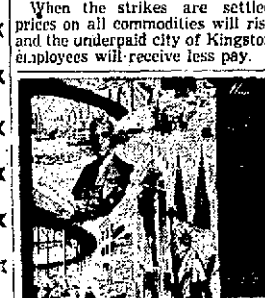

Democrats Pass Mayor's Budget

Continued from Page One

City of Kingston keeping within the two per cent tax limitation but I am not in favor of taking the bread and butter away from the various municipal employees in order to do so.

"At the outbreak of war we were receiving practically the same rate of pay as we are today. We have received one, one hundred dollars bonus and one increment of one hundred and twenty dollars which was put into effect September 1945. Fourteen members of our department served in the various branches of the armed forces during the war. What have they fought for? To come back to the fair City of Kingston to work and received a reduction in wages, when all over the country there are strikes for more wages? Is this fair to them? The Fire Department members work seventy-two hours a week at the present salary which is equivalent to 61 cents per hour. If a decrease is made in our salary we will be working for 56 1/2 cents per hour. Laborers receive more salary than civil service employees per hour and they do not have to buy expensive uniforms and equipment.

When the strikes are settled prices on all commodities will rise and the underpaid city of Kingston employees will receive less pay.

Rossi's Music Shop
38 1/2 John St., Kingston, N. Y.

know that the City of Kingston is the only city in the United States that have given their employees a reduction in salary when all about us there are employees of private enterprises who are drawing higher salaries for less hours. The City of Kingston is showing poor judgment at a time when labor needs all the support it can get.

"I, as the representative of the Kingston Fire Department appeal to you as the guardians of our city to consider the employees of the city and instead of a reduction in salary give us an increase in salary so that we too can meet our obligations and enjoy a fair standard of living."

Yerry Opposed Cuts
George E. Yerry, representing the City Employees Local, said that the local had asked several questions regarding the budget. These questions and the answers received were:

Some city employees have received checks with increases. Are they going to be paid at that rate for the rest of the year?

The answer: Board of Public Works, yes, other departments "no."

Is the \$240 increase for employees under the jurisdiction of the Common Council included in the budget?

The answer "no."

Will the dog warden be granted the increase voted?

Answer "yes."

Will the deputy city clerk receive his increase?

Answer "no."

Are the regular salary increments as required by law included in the budget?

The answer is "no."

Are all employees of the city, regardless of departments, to receive salaries on the same basis?

The answer—Salaries in 1946 will be paid on the same basis as of August 31, 1945. (The wage increases became effective in September, 1945).

Mr. Yerry said that the proposed budget contained an item of \$50,000 representing the cost of issuing a million dollars worth of bonds, and urged that this amount be reduced to the original figure of \$7,650 as included in the budget adopted on January 8. If this were done, he said, the balance of \$42,350 could be used to restore the pay cuts imposed by the new budget.

He said that the City Employees Local was definitely opposed to any pay cuts and "would not stand quietly by and accept the cuts."

Moved to Recess
Alderman Victor H. Roth moved to recess the meeting until Friday evening to afford the aldermen an opportunity to study the proposed budget. The resolution was seconded by Alderman Paul A. Zucca, but was defeated, the seven Democratic aldermen voting solidly against recessing the session.

Budget Adopted
The report of the finance ways and means committee favoring the adoption of the budget as submitted by the mayor was signed by the two Democratic members, Alderman Amato and Simpson.

The report was adopted by the usual vote of 7 to 6, as was the resolution adopting the budget.

Borrowing Authorized
City Treasurer William B. Byrne requested authority from the Common Council to issue \$100,000 in temporary certificates of indebtedness in anticipation of collection of taxes. He said that on January 12 he had borrowed \$25,000 in anticipation of tax collections to meet city expenditures. Of that amount \$12,500 had been borrowed from the National Ulster County Bank, and \$12,500 from the Rondout National Bank.

The proposed certificates were to pay a rate of interest not in excess of 5 per cent.

The council unanimously authorized the issuance of the certificates of indebtedness.

SHOKAN

Shokan, Jan. 24—Paul James of the corner store is serving as a jurymen in Kingston this month. Allen Terwilliger is again greeting friends in the village after having been ill two weeks.

Ex-Sergeant Willie Cohen, manager of the Cohen grocery, has applied for one of the new model DeSoto cars.

Mr. and Mrs. Arthur Carter are now making their home in the F. Terwilliger house on Route 28.

Edward Wiederspieler of New York recently visited his farm, the former Earl Brundage place on the mountain road. Improvements at the Wiederspieler property include the razing of an old barn across the road from the house, and improvements to the shop which will be converted into a plant for the manufacture of chairs. The farm in the 1870's was operated by Mr. and Mrs. David Weeks, grandparents of Mrs. Jervis Bell of Hurley and Mrs. R. Hendricks of Pine Plains.

January 24, 1897: Recent deaths include Jonathan and Stephen Broadhead, aged and respected members of the Shokan Dutch Church, and Mrs. Elmer Davis whose funeral was held Thursday, Jan. 14, from the Shokan M. E. Church. Mr. and Mrs. William Secor have returned from their wedding trip. C. O. Winne of Olive Bridge has large contract to cut blueshine for shipment to Vassar College. Abram Terwilliger, Shokan butcher, recently bought an ox weighing 1,690 pounds.

Young men from several communities met last week at the Shokan Reformed Church to plan the organization of a senior Scout troop. There will be about 10 charter members in the new troop which will be under the leadership of Herman Wendt, who with his family removed here from Pennsylvania last year.

Mr. Wendt during an earlier residence in Shokan made his home on the present George Thost place and was well known for his skill at skiing and other sports. The local troop of Junior Scouts, No. 63, now numbers 25 boys under the guidance of Scoutmaster Sanli Nadal of Shokan.

Representatives of the telephone company were in the village last week for the purpose of locating a plot of ground on which to erect a building to house the Shokan automatic central station which for the past several years has been located on the second floor of Henry J. Gebbelius residence.

It is understood here that rapidly expanding telephone business in the Shokan territory, embracing several communities in the town of Olive, calls for the use of heavier and more extensive equipment, and the company plans to put up a building designed to meet these new requirements. Potential sites have been measured and otherwise investigated with a view to furnishing data for use in determining which of the several available lots is best suited for development.

Mrs. Egbert Lusher whose death, January 7, was noted in The Freeman, resided in the old village as Mrs. Albert Perry. Later, following her marriage to Mr. Lusher, she became a resident of the Brown's Station Hill neighborhood and subsequently removed to Binnewater and Kingston.

Mayor Officiates At Trice-Dugas Wedding Tuesday

Mayor William F. Edelmuth officiated at the marriage of Miss Catherine Dugas, daughter of Mr. and Mrs. Earl Dugas of New Salem to Thomas E. Trice, formerly of Esopus. The ceremony was performed at the City Hall at 3 p. m. Tuesday, the bride's birthday. Attendants were Miss Dorothy Cunningham and Robert Rhinehart.

The bride wore a light blue suit with navy blue accessories and a corsage of orchids. Mr. and Mrs. Trice will reside in Port Ewen for the present.

Mr. Trice served 38 months with the infantry. He fought with the 31st Division in four major battles. Mr. Trice holds the Asiatic Pacific Service ribbon, Bronze Arrowhead, Good Conduct ribbon, Victory ribbon, American Service and Philippine Liberation ribbons and the rifle marksmanship medal.

Port Ewen Church Lists Awards at 'Radio' Show

A capacity audience was present at the breakfast in Hollywood Tuesday evening, in the Church Hall of the Port Ewen Reformed Church, under the auspices of the Dorcas Society of the church. The Rev. George Berens, pastor of the church, introduced the program and the cast of characters, explaining that the show was a repeat performance by popular request.

The cast included Fred Spalt as Tom Brennan as he was last year; Billy Lounsbury as Bobby Phillips, also as last year; with a new announcer, David Harris and a new "Uncle Corny," Charles Wesley, Jr. As in the original radio show the guests were seated at white covered tables set for breakfast. "Tom" interviewed patrons and tried on funny hats. Between the first and second parts of the program, Mrs. Byron K. Chinnich of Kingston sang a group of "Irish melodies." She was accompanied by Mrs. Floyd Beesmer.

Gifts were presented to the following people while they were interviewed by "Tom": the shortest woman, Miss Anna Wolf of Kingston; three way tie for tallest woman was presented to Miss Fern Lynn; the family having the greatest number in active service, Mrs. Susan Leiching and Mrs. Robert Fliske; the fattest man, Willard Walker; the tallest man, Culver Ten Broeck, Jr.; the most recent bride, Mrs. Thelon; the longest married, Mrs. Charles Nelson; the wisest ring, Miss Mary Albright; person owning the longest distance, Mr. Newkirk from New Paltz; the Arm-Roy Orchid sent by air express from Cedric's in Hollywood; Mrs. Martha Hutchings who was 85 years old; corsage of daffodils, Mrs. O. W. Cole of Kingston who was runner-up at 83 years.

"Good Neighbor" award was presented to Mrs. DeVal Dunbar for her fine work in helping with the Girl Scouts, the Ross Park, the Civilian Defense, Red Cross work for the local Methodist Church, Mrs. Maude Stratton was second for her neighborliness. Mrs. George Berens was presented with a gift on behalf of the Dorcas Society for her work in preparing the show.

At the close of the show doughnuts and coffee were served. The committee is grateful for the use of the Krom Loud Speaker System.

Stephen Hyatt Will Give Vocational Talk

Stephen Hyatt, principal of School No. 7 will be the guest speaker at the Colonial Canteen Youth Center, corner John and Crown streets, tonight at 8 o'clock. He will speak on "Teaching as a Profession." In the series of vocational talks being sponsored at the canteen, Thursday evenings. All members, their guests, and any one interested in hearing Mr. Hyatt are invited to attend.

Beta Sigma Phi Meets With Mrs. John Connors

The regular bi-monthly meeting of the New York Gamma Chapter, 2392, of Beta Sigma Phi was held at the home of Mrs. John Connors, 125 Washington avenue, Tuesday evening. An interesting and enjoyable two-hour session was spent in the regular business, social and educational program.

The next meeting of the recently-organized local sorority will be held Tuesday evening, February 12, at 7:30 o'clock, at the home of Mrs. Ralph Harper, 224 Fair street.

Children's Group Has Party at D.A.R. House

Christopher Tappen Society, Children of the American Revolution, held a party at the Wilkwyck Chapter House, Wednesday afternoon. During the short business meeting, Mary Elizabeth Empringham, junior president, read a letter from Mrs. William Macgregor Mills, senior president, who is spending the winter in Branchville, S. C. She sent special greetings to the group and described some of her experiences in the South as compared to winter time in the North.

About 400 coupons from the Borden, Kirkman and Octagon products have been collected by the children for Tammesee school. Anyone having coupons from these products to contribute may leave them at the chapter house.

A Mrs. Charles A. Terwilliger of the D.A.R. arranged the party for the children. Mrs. Dunn led the group in a series of games entitled "A Trip to Washington." Mrs. Walter T. Tremper assisted by providing the music. Each of the children was given a picture card of the chapter house by Mrs. Adam Porter.

At the close of the afternoon refreshments were served with Mrs. Charles Terwilliger in charge. She was assisted by Mrs. Roger Billings, Mrs. R. R. Empringham, Mrs. Porter, Mrs. Trimmer and Mrs. Dunn.

Children attending were E. Barbara Billings, Gertrude Billings, Roger R. Billings, Mary Elizabeth Empringham, Nancy Elsbeth Torrens, Peter Franklin Branch, Jane Louise Sheaffer, Alice Milligan, Chase Page, Robert Post and Juan Ries.

Anthony Cifarelli Marries

Miss Emily Colucciello, daughter of Mr. and Mrs. Carlo Colucciello of Marlborough, was united in marriage to Anthony Cifarelli, son of Mr. and Mrs. Louis Cifarelli of Newburgh Sunday afternoon at St. Mary's Church, Marlborough. The Rev. J. F. Hanley performed the ceremony.

The bride's gown was white satin trimmed with Belgian lace. Her fingertip veil was attached to a crown studded with seed pearls. She carried a cascade bouquet of calla lilies. Miss Jilda Lodato as maid of honor wore a gown of white net trimmed with gold tulle. The bridesmaids, the Misses Eva Andrews, Thomas Andrews and Grace Pitkin wore gowns of black tulle with white and white net skirts. They all carried cascade bouquets of red roses.

The bride's brother, Anthony Colucciello, acted as best man. Ushers were Anthony Lodato, Eugene Andrews, and Harry Pitkin.

A reception at Ruxy Hall in Newburgh followed the church ceremony. Music was furnished by The Esquires. Following a wedding trip to Florida, Mr. and Mrs. Cifarelli will make their home on Riverview avenue, Newburgh.

The bride is a graduate of Marlborough High School and is employed at Chesin and Leis in Newburgh. Mr. Cifarelli is a graduate of Walden High School and is employed by the American Felt Co.

Mrs. Topping Fray Is Bride Of William Tuck, Woodstock

Announcement has been made of the marriage of Mrs. Topping Fray, daughter of Mrs. Anne Kelly Topping and Allen Stuart Topping of New York city to William F. Tuck, son of Mrs. Eva Tuckman of Woodstock and the late Shirley Edward Tuck of Baltimore. The wedding took place January 7, in the Northminster Presbyterian Church, Baltimore. The Rev. Dr. Forest Wells, officiating. William Dudley Sparks, uncle of the bridegroom, and Mrs. Sparks were attendants.

Mrs. Tuck is the former Miss Barbara Anne Topping. She attended the Marymount, Masters and Andrebrook schools and also studied in Munich. Her marriage to Jacob Fray of the duo-piano team of Fray and Brugglietti, ended in divorce at Reno in 1941.

Mr. Tuck was recently discharged from the Army Air Forces after service in China with Major General Claire Lee Chennault's "Flying Tigers." The couple will live in Philadelphia.

Eli Zwick Marries Miss Ethel Grossman

High Falls, Jan. 21—Announcement has been made of the marriage of Miss Ethel Grossman, daughter of Mr. and Mrs. Michael Grossman, to Eli Zwick, son of Mr. and Mrs. Samuel Zwick. The ceremony was performed by Rabbi Reich at his home, 1101 Grand avenue, The Bronx, Sunday at 3 p. m. Gregory Peck, nephew of the bridegroom, acted as best man.

Both Mr. and Mrs. Zwick are graduates of Kingston High School. Mrs. Zwick was employed in an office in New York city prior to her marriage. Mr. Zwick is a popular young merchant in High Falls and is secretary, treasurer of the High Falls Fine Company.

After the ceremony, Mr. and Mrs. Zwick left for a wedding trip to Florida after which they will make their home in High Falls.

Vivienne Millham Is Given Bridal Shower

A bridal shower was given in honor of Miss Vivienne Millham at the home of Mrs. Frank Elmendorf, 128 Foxhall avenue, Wednesday evening. Miss Millham plans to be married February 17 to Gurnsey Burger, Jr., son of Mr. and Mrs. Gurnsey Burger, Sr., 126 Franklin street.

Hostesses were Mrs. K. G. Millham, Mrs. Robert Bush, and Mrs. Chester Williams. Decorations were in pink and yellow. The evening was spent in playing games and music.

Among those attending were: Mrs. Crawford Millham, Mrs. Gurnsey Burger, Mrs. Jennie Fowler, Mrs. Lillian Campbell, Mrs. Raymond Poulter, Mrs. Charles Kelse, Mrs. Ray Nickerson, Mrs. Elias Nickerson, Mrs. Gladys Kherdian, Mrs. Frank Elmendorf, Mrs. W. S. Wood, Mrs. John Kelse, Mrs. Howard Nickerson, Mrs. Edgar Tymesson, Mrs. John Sleight, Mrs. Eugene Kolts, Jr., Mrs. John Buckman and the Misses Virginia Millham, Dorothy Burger, Anita Kelse, Helen Anderson, Grace Sills, Audrey Wendland, Patricia Myers and Nancy Smith. Those unable to attend were Mrs. Joseph Clausi, Mrs. William Swart and Miss Betty Kachigian.

Y. W. C. A. Classes Are Begun In Twirling and Metalcraft

Reports on the special classes at the Y.W.C.A. show that two groups are beginning a new series of classes. The Intermediate Twirling group formerly held Tuesday evenings from 8 to 9 o'clock. The Beginner's Twirling class is meeting at its regular time, Thursday 7 to 8 p. m. Newcomers will be welcome in either group. Charles Buck is the instructor.

Tuesday the Metalcraft classes under the direction of Mrs. William McVey began a new series. Although the evening class is filled there are several places open in the afternoon sessions for anyone interested in metalcraft.

Mrs. George Haynes Honored At Luncheon and Bridge

Mrs. George N. Shively entertained eight guests today for luncheon and bridge in the Blue Room of the Stuyvesant Hotel, honoring Mrs. George Haynes who is leaving this city to make her home in Albany. After luncheon the guests presented Mrs. Haynes with a gift.

Guests included: Mrs. Claude Miele, Mrs. Ralph Halbert, Mrs. Donald Wilkes, Mrs. Charles Davis, Mrs. John Haulenbeck; Mrs. E. L. Davey.

Business Girls Have Social Meeting Plan Interest Group

The Business and Professional Girls Club of the Y.W.C.A. held its "Jes Fur Fun Night" Wednesday under the direction of the social and hospitality committee who had arranged surprise favors at each table. Square dancing was held by Mrs. James McCann.

Interest groups to be conducted for the next few weeks include handicraft, bridge, music, current events and book reviews. Reservations for next week's meeting should be made at the Y.W.C.A. not later than Tuesday noon.

Marion Dunham Is Fiancee Of Walter Burger, Jr.

Announcement has been made of the engagement of Miss Marion Lucille Dunham, daughter of Mr. and Mrs. Jesse Dunham, 538 Delaware avenue to Walter Burger, Jr., son of Walter Burger, Sr., of 6 Devo street. The wedding will take place in the near future.

Sgt. Karl Cook, Saugerties, Weds Adele Brizzi of France

Mrs. James Gillespy of Saugerties has received announcements of the marriage of her son, Sgt. Karl Cook, who is stationed in France, to Miss Adele Brizzi of France. The marriage took place in Holy Cross Church, January 19, because a Nuptial Mass. The couple went to Paris for their wedding trip.

Tri-Hi Plans Annual Valentine Dance

Plans were discussed for the annual Valentine Dance sponsored by the Tri-Hi at the Y.W.C.A. at the meeting of the group, Monday night. The dance will be held Saturday, February 16. Specific details were arranged in small group meetings following the general session led by Miss Mary Dolan, president. All profits from the dance will be contributed to the Y.W.C.A. World Fellowship Fund.

Prior to the meeting more than 50 members attended a covered dish supper. Those who worked on the committee to prepare and to clean up the supper were: Rheta Stout, Caroline Beam, Anastasia Kites, Lorraine McGinnis, Betty Ann Davis, Charlotte Olson, Marilyn Foster, Dorothy Boyle, Irene Welch, Frances Schaeffer, Marion Pallen, Theresa Melanson, Lorraine Frankel, Grace Levine, Joyce Pangburn and Mary Dolan.

Mrs. Williams Will Entertain at Tea For Women of Church

Mrs. W. Wesley Williams will entertain at tea and open house for all women of the congregation of St. James Methodist Church Friday from 2:30 to 5 p. m. in the parsonage, 29 Pearl street. She will be assisted at the tea by Mrs. Julian Gifford, Mrs. David Harris, Jr., and Mrs. Arthur Quimby.

The regular meeting of the W.S.C.S. will also be held. Mrs. Theron Culver will give a report of the annual W.S.C.S. meeting of the New York Conference held in New York recently. A special musical program has been planned by Mrs. Robert Pixley.

Mrs. Treadwell Gives Paper On European Cathedrals

Mrs. Cornelius S. Treadwell, 25 Main street, who was hostess to Atharhaeton Club Wednesday afternoon gave a paper describing European cathedrals. She gave interesting accounts of the cathedrals which she herself had visited.

She explained that English cathedrals are classified in four types according to architecture and the period in which they were built: Saxon, Norman, Gothic, early English and Renaissance. The oldest is Canterbury founded in 597 by a group of monks who worked under St. Augustine. The finest examples of Gothic architecture are the cathedrals built in France during the 13th century and those in England during the 14th century. Among those which Mrs. Treadwell had visited were Notre Dame in Paris; Milan Cathedral; St. Mark's of Venice, which combines Moorish, Arabic and Gothic styles of architecture; St. Peter's in Rome and Cologne Cathedral begun in 1248. She also described Westminster Abbey with the coronation chair into which is built the Stone of Scone, which has been continuously used as the seat of English kings since the coronation of Harold in 11th century. She also spoke of St. Paul's Cathedral.

The annual birthday dinner of the club will be held Wednesday, February 6, at the Governor Clinton Hotel. Arrangements will be made by Mrs. Treadwell, chairman; Miss Lillian Nelson, Mrs. Herbert Bird, Mrs. Everett Fessenden and Miss Agnes Scott Smith.

Personal Notes

Mr. and Mrs. Raymond Merrill of Littleton, Mass., were weekend guests of Mr. and Mrs. Edward P. Ward, 97 Clifton avenue and of Mrs. John Merrill of Smith avenue.

Club Notices

Good Taste Today

By Emily Post

(Author of "Etiquette," "Children Are People," etc.)

SOMETIMES WE SHOULD NOT APOLOGIZE

The following letter comes from a fraternity: "We have had a discussion as to what seems to us your rather casual attitude toward making apologies—for example, when having to sneeze, cough or use a handkerchief (this last especially at the table). Will you please be more explicit?"

To this I can give no more than the general rule which is: Whenever anything is unpleasant, it is best to avoid attracting attention to it if you can help it. If you can't help it, then, of course, you do apologize, but briefly. For example, if you knock into someone or trip over someone or in any other way interfere with someone you say "Excuse me" or "I'm sorry" or if quite serious, "I beg your pardon." On the other hand, to do something as unpleasant as using your handkerchief at the table, to ask to be excused only will draw attention to unpleasantness. The one really important exception to keep in mind is to use a handkerchief that is perfectly fresh. If you have had a cold or are otherwise likely to be in need of a handkerchief, be sure to carry several clean ones so as not to be obliged to use any a second time.

The one occasion when coughing, sneezing, etc., should not be mentioned is on the radio! Nothing is more annoying than to have a commentator or performer apologize for what no one would have noticed otherwise. If he seriously chokes for fifteen seconds or worse, that is another story!

An Obvious Exception

Dear Mrs. Post: How wrong would it be for my family to send engraved wedding invitations for my second wedding? We have so many personal friends and relatives—many of the groom's being strangers to me—that I don't see how I can get through the list unless engraved invitations may be sent. I have heard this was not correct for a divorcee.

Answer: It is true that ordinarily this is not considered in best taste, but there are exceptions to all rules and yours is evidently one of these.

In Disagreement With a Soldier Dear Mrs. Post: My fiancé thinks I should continue to wear the miniature pin he gave me of his branch of the service. He himself is now in civilian clothes, wearing his discharge button, and so I think the time has come to discard his wartime insignia. Will you advise me?

Answer: I don't like to contradict him, but I really think that the pin would indicate his being still in the service.

How early are wedding invitations mailed? The answer is found in Mrs. Post's leaflet, "Wedding Invitations and Announcements," obtainable for a 3-cent stamped.

Aldermen Want Sheriff to Handle City Prisoners

Pass Resolution at Council Asking Legislature for Use of Ulster County Jail

Since the first of the year, Ulster county's sheriff, acting under resolutions adopted by the Board of Supervisors in December, 1945, has refused to accept city prisoners in the county jail until they had been committed by the court.

The Common Council Wednesday evening unanimously adopted a resolution asking the state legislature to modify and amend the Correction Law and the Penal Law making it compulsory for the sheriff to receive prisoners in the county jail.

Attention to the ruling of the Board of Supervisors was officially brought to the attention of the aldermen last night by Mayor W. F. Edelmuth in a communication read at the meeting.

Extra Expense
The mayor pointed out that the enforcement of the rule worked a hardship and unnecessary expense to the city, and recommended that the council adopt a resolution seeking legislative relief from the state.

The resolution, embodying the mayor's recommendations, was offered by Alderman Buboltz, seconded by Alderman Amato, and unanimously adopted. It reads as follows:

Whereas, the Sheriff of Ulster county has refused to permit the internment in the Ulster County Jail of those persons apprehended within the City of Kingston for the alleged violation of the Penal Law of the State of New York and which persons have not yet been arraigned before the City Judge of the said City, and—

The City of Kingston is without provision for the proper accommodation of such persons, and—

It would be to the best interest of the City of Kingston and the County of Ulster and to the residents thereof that provision be made for the confinement of such persons pending their arraignment in the Ulster County Jail.

Be it resolved, that the New York State Senate and the New York State Assembly be and they each hereby are respectfully petitioned to modify and amend and make such other changes in the Correction Law and the Penal Law of the State of New York and in those other laws as may be applicable so as to make it mandatory and compulsory for the Sheriff of Ulster County to receive such persons in the Common Jail of Ulster County as may be apprehended within the City of Kingston, and may be awaiting arraignment before the City Judge of said City, and be it—

Further resolved, that copy of this resolution be forwarded to the Hon. Arthur H. Weeks, State Senator of this District and Hon. John P. Wadlin, Assemblyman of this District.

Council on Record Against New Waterway Route

The Common Council Wednesday evening went on record as opposed to the construction of the St. Lawrence Seaway and hydro-electric plants, and unanimously adopted a resolution introduced by Alderman E. H. Sammons, seconded by Alderman Herman Roos, opposing the project on the ground that it was "economically unsound."

A copy of the resolution will be sent to Congressman Jay LeFevre. Similar action was taken recently by the volunteer firemen of Ulster county.

What Congress Is Doing Today

By The Associated Press
Pearl Harbor Committee continues questioning of General Short.

Senate — Filibuster goes on against F.E.P.C.

House — Continues consideration of bill to provide 1947 funds for several independent federal agencies.

Children cut to fit drawers under a permanent covering that can easily be kept clean.

Father J. E. Rooney Is Vets New Chaplain

Washington, Jan. 24 (AP)—Chaplain John E. Rooney, former parish priest at St. Peter's Catholic Church, Staten Island, N. Y., was appointed full time chaplain at the Veterans Administration Hospital at Northport, L. I., yesterday.

Chaplain Rooney twice was decorated, during his five years of service in World War Two, for gallantry in action. He wears the Silver Star with Oak Leaf Cluster. He was attached to the 165th Infantry in the 27th Division and later to the 258th Field Artillery and the 13th Infantry of the Eighth Division, and served in both the European and Pacific theatres.

Father Rooney was ordained a priest in 1937 after graduating from St. Joseph's Seminary in Yonkers, N. Y., and from St. John's University, Brooklyn.

Poughkeepsie Defeats 'Y' Cagers 64-57 in Spectacular Overtime

Regulation Tilt Ends 52-All; Boyer Wins Game for Bridge City Quintet

In a whirlwind overtime finish at the municipal auditorium Wednesday night the Poughkeepsie Y.M.C.A. basketball team smashed out a thrilling 64 to 57 victory over Coach Lou Schafer's Kingston "Y" club. Both outfits had fought to a 52-52 game at the end of the regulation game after the local cagers had knotted the score during the last two minutes of the game.

The Bridge City "Y" five was led by Bobby Boyer who swished the nets for 27 points. Joe Wehner and Don D'Angelo who supplied most of the points in the overtime, were next in line with 12 each.

Smith Scores 25
For Kingston, it was Buddy Smith who was high with 25 markers. Charlie Bock, returned to the Kingston lineup after a two week's absence tossed 12 points through the hoop to come in second for the locals in the scoring honors.

In the preliminary game, the Kingston "Y" junior varsity

trounced the Coxsackie American Legion quintet by a 50-30 score. George Bloom and "Rip" Mathers led the winners in scoring with 14 and 12 points respectively. Fritz Adamo was high for Coxsackie with eight points.

The varsity game, however, was a real thriller. The local "Y" five set the pace in the first half, leading 32-30 at the intermission. Buddy Smith and Charlie Bock were the leading scorers for Kingston, the former turning in stellar rebound play. Bock kept Kingston in the running with some beautiful set shots, for which he is famous.

Bobby Boyer, however, stole the show. A brilliant set shot artist, floor man, and foul tosser, the Poughkeepsie ace was the main reason why the Dutchess county quintet was able to stay with Kingston throughout the first half. Poughkeepsie started to pull away at the start of the second half. This time, however, it was not Boyer who did the pace setting, as he made only four of his 27 points in the second half. Wehner and D'Angelo started to find the range, and the Bridge City squad led 49-38 at the third quarter mark.

It was then that Kingston made its strongest bid of the evening. With Buddy Smith giving his utmost, the local quintet crept ever closer to snapping the Poughkeepsie lead. With the crowd on its feet, cheering the "Y" five knotted the score at 52-52 as the game ended. The local boys outscored the visitors 14-3 in the final stanza. In the five-minute overtime, Poughkeepsie pulled into an early lead and sealed up the contest. D'Angelo and Wehner made several layup and overhead shots good to send their team into a 62-52 lead before Kingston broke the ice on a free throw by Buddy Smith and a dunk by Al Thomas. Then, with 2 1/2 minutes remaining, Monahan tossed one in for Poughkeepsie, and Smith added another for Kingston to make the final score Poughkeepsie 64, Kingston 57.

Checker Game Friday
Willie Ryan, champion checker player from the Bronx, will appear in Ellenville Friday night in a special exhibition. Ryan will feature his blindfold playing and also his game of playing 12 or 13 people at a time. Ryan's only setbacks in this area have been at the hands of Bill Rappaport, Kingston wizard, and the Rev. Mr. Cataldo of Stone Ridge. Nevell Banks, champion blindfold player of the world, may appear in Kingston later in the year if arrangements can be made.

Tigers Whip Army, 51-18
West Point, N. Y., Jan. 24 (AP)—Stu Holcomb, Army basketball coach, and Wes Fessler, Princeton cage mentor, once were teammates on the Ohio State quintet. They squared each other for the first time as coaches yesterday and Fessler came out on top. His Tigers, 24-point underdogs, scored a major upset by beating the Army, 51-18.

Bloom Scores 27 Points in Church Basketball Loop

Fair Street and White Eagles Register Easy Triumphs in Games Wednesday Night

The Fair Street Reformed Church and Immaculate Conception basketball teams triumphed in last night's Church Basketball League games at the Myron J. Michael School gym. Fair Street rolled over First Presbyterian by 68-19 and the White Eagles cagers romped over the Redeemers by 61 to 25.

Bloom, Burr and Lemminger sparked the Fair Street basketballers to an easy win. Bloom pumped the cords for 27 markers. The big gun for the Immaculate club was McCordle who found the hoop for 21 points.

Key C.Y.O. Tussle Scheduled Tonight

St. Joseph's May Clinch County Loop Title

Unbeaten St. Joseph's goes up against St. Peter's in an important C.Y.O. game at the municipal auditorium tonight. Game time is 8:15 with the junior teams of these two parishes slated to clash at 7:15.

St. Joseph's needs only one more game to clinch the county C.Y.O. championship, and has hopes of winning this game tonight. The main street five will be without the services of George "Knobby" Bilyou after this evening's contest, as he enters military service Monday. This will bring up the fast breaking scoring combination of Bill Glaser and Bilyou, which has accounted for most of the quintet's wins this season.

St. Peter's on the other hand, may clinch second place in the county loop with a win tonight. The last match between these two clubs was in the City Church League January 14 when St. Joseph's won out 33-28 after trailing most of the way.

Batorski With Buffalo
Buffalo, N. Y., Jan. 24 (AP)—John (Bats) Batorski, former 215-pound Colgate end, will play with the Buffalo club of the All-America Football Conference next fall. General Manager Sam Conner announced yesterday. Batorski, who entered the Army a month after his graduation from Colgate in April 1943, returned last week to his home in Lackawanna after 22 months in the Pacific with the 42nd Field Hospital.

Hogan Favorite In Phoenix Open Golf Tournament

Phoenix, Ariz., Jan. 24 (AP)—The tough job of selecting a favorite for the \$10,000 Phoenix Open golf tournament should be settled to day with more than 200 professionals and amateurs completing their rounds in the preliminary pro-amateur tourney.

Current candidate for the favorite slot is Belton Ben Hogan of Hershey, Pa., who earned the rating yesterday by leading a classy foursome through an exhibition match at neighboring Encanto Park course with a two-under-par 68.

Close behind Hogan is Toney Penna, Dayton, O., who posted a 69 in the foursome yesterday, the same as Jimmy Demaret, Houston, Texas. Craig Wood, National Professional Golfers Association duration champion from Mamaroneck, N. Y., came up with a 71 to complete the foursome. Former Open winners here for the three-day tournament are Herman Barron, White Plains, N. Y., who won the 1942 Western Open, Ed Oliver of Taunton, Mass., winner of the Phoenix Open in 1940 and the Western Open in 1941, and Harold (Jug) McSpaden of Sanford, Me., the 1944 tournament winner.

Cards Sign Ratterlee
Chicago, Jan. 24 (AP)—Pride Graham Ratterlee, star lineman of Wake Forest College the last three seasons, yesterday became the 11th player to sign a contract with the Chicago Cardinals of the National Football League. Ratterlee, a rangy 215-pounder, divided his line duties last year between tackle and guard. He will graduate from Wake Forest in June.

Brooklyn, Mass.—Al Smith, 133, Newark, N. J., outpointed Billy Marcus, 135, Hartford, 10; Arthur Morris, 146, Boston, outpointed Rolly Gomez, 153, Fall River, 6.

Yankees Top List
Chicago, Jan. 24—American League baseball clubs will play a record total of 277 exhibition games this spring, with the New York Yankees topping the circuit with 66 on their schedule. Earl Helligan, manager of the American League Service Bureau, said last spring the league teams played 94 exhibition games.

In The Pocket

CHARLIE TIANO
Kingston's bowlers compiled an amazing record for generosity during the war period in support of various drives to raise funds. The amount raised for the March of Dimes was of particular significance, since it exceeded by a wide margin any total reported for a similar number of bowlers.

Once again the March of Dimes is calling upon the bowlers of the city, now already involved in the task of raising a huge sum for the welcome home party for veterans. In spite of this previous obligation, we are confident the keggers will support the March of Dimes in good style.

The welcome home for Kingston's returning service keggers will be an artistic triumph. Knowing Pete Keresman's flair for the dramatics, we are sure of that. We sincerely hope, however, that a portion of the money subscribed will be set aside to erect a suitable plaque or memorial in memory of the five members of the K.B.A. who made the supreme sacrifice.

The party will be forgotten in time, but there must be tangible evidence to show that Kingston bowlers did not forget its departed heroes. Details could be worked out by a committee.

William "Chief" Mueller paced Poughkeepsie's Schwartz to a pair of week-end victories with two rousing triples, one of 649. The "Chief" has been an outstanding athlete for three decades or more. Played baseball in the era of Mike Gonzales and Adolf Lauque and the Long Branch Cubs. Has been a top-notch

bowler for 25 years and a widely known umpire. The Schwartz are just about the hottest exhibition team in these parts. Our first encounter with Mueller occurred 15 years ago in Harlem Valley. "Chief" was umpiring and we were a scared rookie first baseman with John McCordle's Kingston All Stars playing against Harlem Valley Hospital.

Later his presence on our Hudson Valley bowling team caused no end of consternation in certain quarters. More about the "Chief" later.

Johnny Ferraro is scheduled for two big events this weekend. Saturday night he rolls in a \$1,500 sweepstakes in New Jersey and Sunday afternoon teams up with four Poughkeepsie aces in an exhibition against the Brunswick Red Crowns of New York at the Dutchess county Recreation Alleys.

Joe Stanton, Freeman League major don, is preparing a prospectus of the printer-keggers. It will hit the news stands in a couple of days. Fred Bruno, pre-war HB, gets plenty of competition these days from John MacLellan, who came down from the Oneonta hills with a glib tongue and a better than average share of bowling acumen.

Do You Know This—The most flagrant violation of bowling etiquette is leaning over the rack when a bowler on the other side is about to start a delivery. Another is starting a race to the foul line. Avoid these two violations of ethics and bowling will be a happier sport.

Roland Post, a Freeman alumnus, is getting his share of wood for Martin's in the Independent

League. Dobler's are ing a hefty average in the League. Bob East, ex-baller and pocket billiard shark, Stone Ridge, gets off nice streak totals for Stone Ridge in the same loop. Barney Roeder gives one the impression he can pick up a 16-pounder and throw it clean to the headpin.

STARS OF YESTERYEAR
January 20, 1931, City League—Schultz 588, Boeckneck 571, Bedford 582, Columbia 1401, 2794 shutting out Livingston.
January 22, 1931—Immaculate lead City League by game 28-11, Colonials 27-15, Harry Stott 24 and Charlie Petri 673 as Immaculate smash 1033 and 290.

Famous Last Words—The secretary has my average wrong.

Akron—Pat Coniskey, 208, Paterson, N. J., outpointed Johnny White, 208, New York, 10; Milton Glass, 141, Akron, knocked out Bobby Thomas, 145, Jersey City, 2.

New Welfare Bill Based on County Centralization

Albany, N. Y., Jan. 24 (AP)—Protests from several cities resulted today in the broadening of the Osterling Legislative Committee's plan for integration of local Public Welfare Services in the state.

The cities complained that the five optional forms of welfare administration provided for in the original plan were not sufficiently flexible and were in the form of "mandates."

The committee therefore added two options. Under the first, cities of 90,000 population or over may elect to become separate public welfare districts financially and administratively responsible for all welfare programs within their boundaries.

Under the second, a county would administer the Public Welfare Services of a city within its boundaries and bill the city.

Communities would have to adopt one of the seven options to qualify for state assistance under the Moore Commission program.

A city would have to accept the second new option if it could not agree with its county on one of the other six.

Assemblyman Harold C. Osterling of Attica, chairman of the special committee that drafted the plan, said he expected Governor Dewey to send a special message to the legislature soon, urging early adoption.

Among the cities that protested against the original plan, presented last summer, were New Rochelle, Binghamton, Utica, Rome, Jamestown, Glens Falls, and Ithaca.

Osterling said the addition of two options left the way open for "the preservation of local government" and at the same time kept intact the welfare integration program.

The program is intended to centralize in each locality all forms of public welfare. Under the present system, as many as 11 agencies administer various types of welfare assistance in a single county.

The program will be dovetailed with that of the Moore Commission, under which localities would be relieved by the state of all but 20 per cent of welfare costs.

Dental Clinic

A dental hygienist clinic will be held at the Town of Ulster Health Center in East Kingston on January 30, by Miss Helen Donderevitz, New York State Dental Hygienist. Appointment cards have been mailed and the parents of pre-school children are requested to mail their return card to their public health nurse as soon as possible. Transportation will be furnished for this clinic. For further information telephone your public health nurse at Kingston 2580.

Jury Returns \$12,500 Verdict In Beauty Case

One of the largest verdicts to be returned in some time by an Ulster county jury was returned yesterday in the negligence case brought by Dorothy and Thomas Gualtieri against John S. Ferraro and another. The action was brought to recover \$25,000 for alleged poisoning which resulted from a treatment to her hair at a beauty shop of defendants.

The jury after listening to the evidence returned a verdict of \$12,500 for the plaintiff, Dorothy Gualtieri and \$250 for the plaintiff, Thomas Gualtieri, husband.

It was alleged that because of the failure to make certain tests prior to the treatment, plaintiff suffered a severe scalp condition which resulted in a general blood poisoning which allegedly found its way into the blood stream resulting in a heart condition.

Following the verdict Joseph M. Campbell moved to set aside the verdict and Justice Schenck reserved decision on the motion. Abraham Streifer appeared for plaintiffs.

Rosendale Splits Two

The Rosendale basketball clubs split a double-header earlier this week when the seniors scored a 21 to 13 victory over Wallkill and the jayvee squad dropped a 20-17 decision to the Hustlers.

Gen. Spaatz Is Army Air Chief To Succeed 'Hap' Arnold On February 15th

Washington, Jan. 24 (AP)—President Truman today announced Gen. Carl A. Spaatz's appointment to be chief of the Army Air Forces, succeeding Gen. Henry (Hap) Arnold.

The President told his news conference that General Arnold will retire upon his return from his current South American tour and that Spaatz will take over his assignment.

Arnold wanted to retire sometime between February 1 and February 15, the President said, but he added that he did not know the exact effective date at this time.

A War Department source said yesterday the change would probably be made February 15.

Viewed With Interest

Harrisburg, Pa., Jan. 24 (AP)—Commonwealth officials cast an anxious eye on the proposed "protest march" on Pennsylvania's state capitol today by an estimated 500 to 1,000 striking war veterans.

"It's just essentially a demonstration," said John A. Phillips, president of the C.I.O.-Pennsylvania Industrial Union Council, but other union leaders and capitol sources seemed puzzled on the arrangements.

Officials Study Governor's Drive On Delinquency

Albany, N. Y., Jan. 24 (AP)—State and local officials confer today with Governor Dewey to expand the campaign against juvenile delinquency.

The conference at the executive mansion was called by Dewey to speed enlargement of local juvenile aid programs, established

under the guidance of the State Youth Commission.

The commission was created last year and state financial assistance was made available to localities to assist them in developing youth bureaus and providing recreational and educational facilities for its residents under 21 years of age.

More than 200 communities have shown interest in obtaining state help, and some are operating projects under the program, Paul E. Lockwood, the governor's secretary, reported.

Under the program, the state pays 50 per cent, or up to \$15,000 annually, toward the expenses of each local youth bureau, and 50

per cent, or up to \$250 per 1,000 youngsters, for recreational and educational supervision.

At the conference, representatives of communities that have established local projects were to tell of their operations.

Whole black pepper can be stored as long as 100 years without deterioration, say experts, citing an example of such storage in a London warehouse.

Woods Held on Rape Charge for Grand Jury

James Plimmon Woods, 36, of 16 Gill street, a Negro known as "Preacher," waived examination Wednesday when arraigned in police court, and was held to await the action of the grand jury. No bill was filed by the court. According to the police he is charged with rape in the second degree, alleged to have been committed on a 14-year-old girl, whose name was withheld by the police.

Spur Hunt for Killer

New York, Jan. 24 (AP)—Authorities today spurred their hunt for a killer—having a long pointed nose—as police said two daylight slayings and a shooting within the past nine days had been traced to the same .32 caliber pistol. Sgt. Harry Butts, police ballistics expert, said tests of bullets taken from the bodies of two men yesterday in holdups and from a Greenwich Village liquor store owner killed last week bore the same firing and rifling marks.

Chamber of Commerce Has Parley on National Issues

Continued from Page One

cluded furthering of the move to organize National Affairs Committees in the various communities and securing of information regarding the purposes and aims of the National Chamber of Commerce at Washington, two representatives of the latter being present to address the gathering. Mr. Reina expressed gratification at the large attendance, including many from considerable distances. Syracuse and New Haven, Conn., being represented among those present. Polihkeepsie Chamber of Commerce sent a delegation of 28, Hudson and Saugerties each six, Cobleskill four and the secretary of the Beacon organization was present. Members of Kingston Rotary also were present as guests, it being their regular meeting day.

The president announced that a National Affairs Committee had been named for the Kingston Chamber, made up of N. Jansen Fowler, chairman, Dr. Douw S. Meyers, Matthew H. Herzog, John I. Snyder, W. Dean Hays, Benjamin Sklon, Arthur J. Burns, Bert Wilde, C. E. Burnett, Thomas Purdy. Also a member to represent the banks will be named.

Structure of Organization
The first speaker presented was Donald Marcellus, manager of the Northeast Division of the U. S. Chamber of Commerce. Explaining the relationship between the National body and local organizations, he explained that, contrary to general ideas, the national Chamber of Commerce was not the parent organization. It was organized in 1912, at which time there were hundreds of local Chambers functioning, to furnish what might be termed "the voice of business at Washington." It is a democratic organization, he said, with approximately 1,600 local and state Chambers of Commerce and some 600 trade associations in existence today. The 2,200 organizations representing 870,000 businesses. Policies announced by the Washington organization are formulated following referendums in the local bodies.

As to the serious problems before the country today, Mr. Marcellus said they were those that existed before the World War, in 1914. He mentioned: How to live within our income; how to pay a fair day's pay, or work; how to maintain a high level of employment.

Conditions Change
Noting that the country had passed through one of the most serious crises in history and had done a tremendous job, the speaker

er said that, almost overnight, conditions had changed, from the job looking for the man, to the man looking for the job.

Speaking of the organizing of national affairs committees, aimed to permit the business man to take a hand in helping shape legislation, Mr. Marcellus said that unless we stop and take stock we will find that the country is tending more and more toward laws that are contrary to the principles upon which this country is built.

It was stated that already 1,450 of the committees have been organized. There leaders are furnished with a daily legislative service and comprehensive material. The service was declared to be unbiased and purely factual. Members of Congress were said to have asked for his service from the home communities, to guide them in ascertaining the wishes and views of their constituents on pending legislation.

Later it developed that three of the Chambers represented had such committees. Mr. Shaler of the Poughkeepsie organization said that their committee was functioning. Hudson had organized a committee. Cobleskill has had a committee for two or three years, but it was inactive. The president of the Cobleskill Chamber said that he had Harry Greenwald, former assemblyman from Schoharie county, chairman of their committee and action was expected.

Praises U. N. O. Bid
The second speaker of the day was Howard Volgenau, member of the department of governmental affairs of the U. S. Chamber of Commerce. He expressed more than ordinary pleasure at being present, as he had met a number of old time friends and associates. Of the activity shown by the Kingston Chamber in relation to the location of the U. N. O. headquarters in this area he said "It was worth the trouble, even if you don't get it. You had to sell yourselves on your own homes; to assess its advantages and disadvantages. It provided an opportunity for cooperative effort."

As to the problems facing the country, Mr. Volgenau said that "no individual is wise enough to say what is right on a hazy and different problem. It needs collective wisdom."

Discussing briefly some important problems pressing for solution, the speaker took up first the labor problem and said, "I know of no united thought on how to settle the strike question."

This is not a temporary thing, the speaker said—deep-seated and fundamental forces have been at work for the past ten years, both here and abroad. Commenting that the whole world had been upset, he said that "you can't stir people up and then have them subside right away."

The bid of organized labor was said to be, vaguely and unconsciously, the result of the unrest that has characterized the world. "The country never has had a true national labor policy," said Mr. Volgenau—"the problem is to

define a new national labor policy." He found the general public caught between two forces—it has been put upon, misled and was in doubt about the claims of either side. "I know of no salvation in Washington, today," he declared.

Full Production
In seeking a remedy for the condition it was seen to be necessary first to settle upon a goal, an objective. It was suggested that the objective should be maximum production, at lower unit costs, with increasing returns for labor.

Speaking of the hard won gains of labor, Mr. Volgenau said, we want free labor, that can bargain on equal terms for its rights; but, also, management has its rights. He held that it was not right to organize supervisory employees; questioning the fairness of jurisdictional strikes. As to responsibility under contracts, the speaker said, "It is wrong to violate express contracts." He felt that responsibility must be insured.

As to action by Congress, Mr. Volgenau said that the tempo of Congress was against any legislation, pending or anticipated. This is an election year, he said.

However, if there is paralysis of the great industries, we will get emergency legislation, said the speaker. He said this would be regretted, later.

Basic Job
The basic job was seen to be to "educate Congress on the complexities of business." Congressmen have to vote on these various problems, but if left to their own devices they are worried and confused, it was declared.

Prices, wages, the O. P. A. and related matters were discussed at some length. Getting rid of price ceilings as soon as we can was advocated. They should be eliminated when the retail prices of things begins to turn down, said Mr. Volgenau. He emphasized the need of tracing the market of government control.

Still Need Controls
Speaking of the "so-called housing problem," the speaker said that he thought that business was a little hasty in asking for removal of wartime controls. He said that there was now the "biggest" stockpile of lumber ever known in the history of the country. There was said to be one such accumulation in Ohio which contained enough lumber to build 10,000 houses.

In conclusion, Mr. Volgenau observed, "There is no future for any of us unless we all prosper."

Following Mr. Volgenau's talk there was a discussion period conducted by Mr. Marcellus in which a number of those present took part. In answer to questions it was stated that the policy of the National Chamber of Commerce was not to have a closed shop, and that industrial arbitration should be settled by "voluntary arbitration."

Mr. Volgenau was against the present system, where, he said, one arbitrator represents labor, the second represents management, both being biased representatives, while the third man "gets hell." He suggested the possibility of a national panel of people of recognized standing, from which unbiased arbitrators might be selected. Compulsory arbitration was seen to be wrong—"It means government intervention, with neither labor nor management free."

Fact-finding was viewed as a one-sided procedure and therefore lacking the confidence of the public. Mr. Volgenau quoted Voltaire—"A fact is the most convenient form of error."

Compliments Yerry
George E. Yerry, Jr. (Mr. Volgenau recognized him as one of the "old friends" he had met while here and said he was "one of the sanest labor leaders I have ever met.") spoke of the closed shop policy. He said that without it union discipline could not be enforced in a shop. Mr. Yerry said that he was not in sympathy with some of the prevalent strikes. He believed that it was the wrong time for strikes, but, on the other hand, felt that it had been wrong at this time. He believed that most problems could be resolved through honest collective bargaining.

Before adjournment of the long afternoon session Mr. Volgenau commented that a large part of the work of the National Affairs Committee was in the field of education. "It is not another minority pressure group," he said.

Before discarding a wool skirt that looks worn, try turning it inside out and redoing the seams.
